SIR,

I have the honor to inform you that an estimate of Rs. 1960 was sanctioned by the late Superintending Engineer in Dec^r 88 for "Constructing a well" for the Police lines at Kota, in the Godavari Eastern Division but the work having situated in the Rampa hills, the Executive Engineer has been unable to induce a contractor to come forward to undertake it.

2. The Ex Engineer now reports that one David a Quarry Gunasta in jungle places is willing to undertake the work on contract, & that an advance of Rs. 100 may be sanctioned to enable him to give advances to the workpeople it will be necessary for him to send to Kota.

3 Under these circumstances I request that you will be so good as to obtain the sanction of Government for making an advance of Rs. 100 to contractor David under para 1372 of the P. W. Code.

I

Shave the honor to be,

Sir,

Your most obedient st-
