READ—the following papers:—

From W. F. DEFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 22nd January 1891, No. 62.

I have the honor to submit, for the approval and sanction of His Excellency the Governor in Council, the accompanying plan and estimate, amounting to Rs. 6,013, for constructing a new ward and extending existing block No. 5, male ward, in the Leper Hospital, Madras.

From W. F. DEFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Nungumbaukum, 24th March 1891, No. 253.

Adverting to Public Department reference on No. 755, dated the 20th instant, I have the honor to state, for the information of Government, that the additional accommodation was required owing to overcrowding in the Leper Hospital, which was brought to notice by the Superintendent.

2. I enclose, for the information of Government, a statement, showing the actual accommodation in the hospital and the number of patients at present under treatment there, from which it will be seen that, while the hospital only provides for 160 beds, the number of beds actually occupied is 226 or 66 more.

3. A copy of the letter received from the Superintendent is also enclosed for information.

ENCLOSURE.

From Surgeon-Major H. D. COOK, M.B., Superintendent, Government Leper Hospital, to the Secretary to the Surgeon-General with the Government of Madras, dated Madras, 24th March 1891, No. 35.

[Your memo. No. 1516, dated 21st March.]

I have the honor to forward a statement, which shows that the *present* accommodation of the Leper Hospital is 160, whereas we have 226 patients. The new wards and the extension of the existing ward will accommodate 30 patients, leaving still 36 in excess.

2. But you will note that the number for each ward *can* be slightly increased without any harm arising, so that with the new ward and extension we can manage provided we get not many more applications.

The plan and estimate are approved and transferred to the Public Works Department.

NOTE OF REMARKS.

The plan & estimate under review the latter amounting to Rs 6013 provides for constructing a new ward and for extending the existing block No 5, 30ft, male ward, at the Laper Hospital, Madras.

The amount of Rs 6013 is divided as follows:—

Constructing new ward	Rs 4032
Extending existing block No 5 - 30ft male ward	" 1561
Contingencies at 5%	" 280
Petty supervision at 2½%	" 140
Total Rs	6013

It is stated that the proposed extension is the same as the existing male ward, and is of a similar type to the Inspections wards in the General Hospital which

In Public No 212/91.

which the Medical
officer in charge speaks
most highly.

Particulars of construction.

Foundations, basements and
superstructure are to be built
in mortar, the exterior & in-
terior of the building are to be
plastered with $\frac{1}{2}$ " Madras
Cement & plastering the
steps with $\frac{1}{2}$ " English
Portland Cement.

Joining is to be of $\frac{1}{2}$ "
English Portland Cement
Plaster over 3" brick jelly.

Roofing is to be of pan
tiles teak rafters & chumam
borders resting on teak
wood trusses.

Although the scantlings
of the beams, struts & common
rafters are little less to
that allowed in the Standard
Specification, they may
be accepted as the
roofing consists of only
pan tiles on teak rafters
& chumam borders.

Batten doors with $\frac{3}{4}$ " thick
ledged & framed & are
to be of teak.

The

The rates as far as can
