GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

General.  
Account.

READ—the following paper :—

From A. S. RUSSELL, Esq., Executive Engineer, Buckingham Canal division, to the Superintending Engineer, II Circle, dated 23rd March 1891, No. 1810.

In forwarding, herewith, an application for sanction to purchase 194 barrels of Burham's Portland cement required and provided for in the revised estimate for constructing flood-gate, south bank of Pennér, I have the honor to report that, under the authority conveyed in your telegram of to-day's date, I have ordered the purchase of cement in anticipation of sanction of Government, in order that the progress of the work (the collection of materials of which is now being proceeded with) may not be retarded. The purchase of the cement will also enable a portion of the current year's grant to be utilized under "Capital."

No. 2 B.C.

Copy forwarded to the Chief Engineer, Public Works Department, with a request that the necessary sanction of Government may be obtained for the purchase in India of 194 barrels of Burham's Portland cement for the use of the flood-gate, south bank of Pennér.

2. Under the circumstances explained in the foregoing letter, Mr. Hannan has ordered the purchase of the above cement in anticipation of sanction of Government.

BEZVADA,  
1st April 1891.

(Signed) W. JOPP,  
Offg. Suptdg. Engr., II Circle.

ORDER—dated 17th April 1891, No. 1068 W., Public Works.

In the circumstances stated, the local purchase of 194 barrels of Portland cement is sanctioned.

2. The Government, however, observes that a loss of over Rs. 600 is involved. The Superintending Engineer will accordingly explain why the necessity for the stores was not foreseen and an indent submitted through the Public Works Stores in the usual course.

3. With reference to the last sentence of his letter, the attention of the Executive Engineer will be drawn to para. 1627-A, Public Works Code.
