GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From W. J. H. LE FANU, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, dated Chittoor, 24th December 1891, No. 751 In.

I have the honour to submit, herewith, the consolidated budget estimate of the Local Funds in the North Arcot district for the official year 1892–93, together with the prescribed statements, prepared in accordance with the instructions laid down in articles 11 to 30 of the rules framed under the Local Boards Act (V of 1884), and the several orders of Government received from time to time.

2. The budget estimate was passed by the District Board at their meeting held on Friday the 18th December 1891. A copy of their resolution, together with a map of the district, is herewith submitted.

3. The following statement compares the total receipts and expenditure as estimated for the current and ensuing years :—

	1891–92.		1892–93.
	Original.	Revised.	
	Rs.	Rs.	Rs.
Opening balance	1,41,490	1,88,110	46,820
Receipts	4,06,740	3,70,800	3,94,540
Total ..	5,48,230	5,58,910	4,41,360
Expenditure	5,01.440	5,12,090	4,29,560
Closing balance	46,790	46,820	11,800

REVISED ESTIMATE FOR 1891–92.

4. *Opening Balance.*—The year opened with a balance of Rs. 1,88,110, as intimated by the Accountant-General, distributed between the District and the four Taluk Boards as shown below :—

		Rs.
		1,05,840
District Board	21,320	
Chittoor Taluk Board	15,430	
Vellore do.	34,440	
Ránipet do.	11,080	
Arni do.		82,270
Total ..		1,88,110

5. *Receipts.*—The receipts of the year are estimated at Rs. 3,70,800. Adding to this, the opening balance of Rs. 1,88,110, the total assets amount to Rs. 5,58,910, against the budget estimate of Rs. 5,48,230. The net increase of Rs. 10,680 is accounted for chiefly by a gross increase of Rs. 46,620 under "Opening balance" and Rs. 1,150 under "Contribution from Provincial Funds for Public Works," and a gross decrease of Rs. 37,090 under "Land-cess" and "Tolls," &c.

6. *Opening Balance.*—The large increase under this head is especially due to (1) the allotment of Rs. 28,400, sanctioned during the year 1890–91 for the construction of the Pálár causeway, not having been utilized during the year, and (2) the non-utilization of a portion of the maintenance grant for roads as shown in the margin, in consequence of the failure of the monsoons, which prevented the spreading, on the several roads, of the materials collected.

	Rs.
Maintenance grant	1,53,540
Amount expended	1,33,210
Amount left unspent ..	20,330

7. *Contribution from Provincial Funds—Public Works.*—The increase of Rs. 1,150 under this head represents the building grant, sanctioned by the Director of Public Instruction in his Proceedings, dated 19th March 1891, No. 3064, towards the construction of three school-houses at Puthalpet, Chowdapalli and Gundakal under the Chittoor Taluk Board.

8. *Land-cess.*—The decrease under "Land-cess" is expected to be Rs. 25,000, the budget estimate being Rs. 2,78,210, and the revised estimate of the year Rs. 2,53,210. The decrease is due to the following causes :—

(1) The unfavorable character of the season during the current year, due chiefly to the failure of the south-west monsoon and of the north-east monsoon to a certain extent, owing to which a decrease of Rs. 10,000 is expected in the land-cess collections. This amount has been worked out approximately, with reference to the cases of relinquishments during the year, and the reduction in the beriz under the heads Tirvajasri and Faslijasti.

(2) In consequence of the postponement of the December kist in the North Pálár taluks, recently recommended to Government by the Board of Revenue, a decrease of Rs. 15,000 is expected under land-cess collections of this year.

9. *Tolls.*—A sum of Rs. 24,310 was provided in the budget under this head, but the sale of the farms fetched only Rs. 14,530. Similarly there was a decrease of Rs. 2,790 under "Contribution from Municipal Tolls." The decrease was chiefly in the gates which are located on the roads running parallel to the Villupuram-Guntakal State Railway, which was opened for traffic towards the close of the past official year. Further, the reduction in the rate of contribution by the Gudiyátam Municipality from one-half to one-fourth, sanctioned in G.O., dated 10th April 1891, No. 531-M., contributed to the decrease under this head.

The other variations between the budget and the revised estimates for the current year are explained in the remark column of Statement No. IX.

10. *Expenditure.*—Excluding the reserve of Rs. 91,483, revised under instructions issued by Government in its memorandum, No. 543, dated 13th July 1891, the budget grant for the current year amounted to Rs. 4,63,900, which, together with the subsequent allotments amounting to Rs. 62,300, raised the total allotment for the year to Rs 5,26,200. The Public Works Department having surrendered a portion of the amount allotted for the Pálár causeway work, the total outlay, including a sum of Rs. 154 already expended and for which allotments will shortly be made, amounts to Rs. 5,02,090, distributed as shown below :—

	Rs.
Grant I	3,02,210
„ II	76,360
„ III	98,910
„ IV	24,610
Total ..	5,02,090

11. Thus the expenditure according to the revised estimate shows a net decrease of Rs. 24,110, which is chiefly due to the surrender made by the Public Works Department to the extent of Rs. 24,900, out of the provision made for the Pálár causeway (*vide* G.O., dated 1st October 1891, Mis. No. 2375 L.).

A sum of Rs. 10,000, being the unallotted portion of the District Board reserve for the current year, has been set apart for appropriation during the remaining portion of the year. Of this sum, Rs. 4,070 were allotted in November 1891, and

applications have been received from Taluk Boards for Rs. 5,880. This sum of Rs. 10,000, added to the sum of Rs. 5,02,090 shown above, raises the total estimated expenditure to Rs. 5,12,090.

12. The year is expected to close with a balance of Rs. 46,820 as particularized below :—

	Rs.
Unions	2,900
Endowment	10,530
General	33,390
Total ..	46,820

BUDGET ESTIMATE FOR 1892–93.

13. *Receipts.*—The receipts of the year are estimated at Rs. 3,94,540. This, added to the closing balance of the current year, Rs. 46,820, makes the total assets amount to Rs. 4,41,360, against Rs. 5,48,230, the budget estimate for the current year. The net decrease of Rs. 1,06,870 chiefly appears under—

(1) Opening balance.
(2) Tolls.
(3) School fees.
(4) Contribution from Provincial Funds for education.
(5) Do. do. for Public Works.

14. The large decrease under item (1) is due to the following causes :—

(*a*) The opening balance of the current year (1891–92) has been increased by the non-utilization of the provision made for the Pálár causeway work during 1890–91, and the full allotment under Grant I was not spent during the last year.

(*b*) There was a fall in the current year's receipts under "Land-cess" and "Tolls" as explained in paragraphs 8 and 9.

(*c*) Extraordinary expenditure was incurred during the current year for the construction of new roads and for digging and repairing tanks and wells as famine relief works.

The decrease under item (2) is explained in paragraph 9 above; that under item (3) is attributed to the reduction of the Middle school at Puthur to the Primary grade and to the splitting up of the Middle schools at Karvetnagar, Tirutani and Chandragiri into two separate schools—Middle and Primary—so as to enable a lower scale of fees to be collected from boys in the Primary school as a stimulus to larger attendance. The decrease under item (4) is attributable to the transfer of the Normal schools at Ranipet and Chittoor to Provincial service; and that under item (5) is due to the fact that the special contribution of Rs. 12,650, made this year by Government for the Pálár causeway work, will not find a place in next year's accounts.

15. The net increase under "Land-cess" is explained as follows :—

(*a*) The estimate has been made with reference to the settled land revenue beriz of fasli 1300, on the presumption, that the season during the next year will be favorable.

(*b*) The sum of Rs. 15,000, the decrease expected during the current year owing to the postponement of the December kist, referred to in paragraph 5 *supra*, has been added to the land-cess collections of the next year.

A sum of Rs. 9,240 is estimated as receipts from market fees, against Rs. 8,960, budgeted for during the current year. The increase of Rs. 280 is due to the expected competition for the lease of the market rents, estimated with reference to the actual amount for which the several markets have been leased out during the current year, and to the opening of a new market at Pathagunta in Chandragiri taluk.

16. *Contribution from Municipalities for Education.*—The sum of Rs. 120, estimated under this head, represents the contribution agreed to be paid by the Vellore Municipality towards the pay and allowances of the Muhammadan Inspecting Schoolmaster, newly entertained in the district, under the sanction conveyed in G.O., Mis. No. 1851 L., dated 1st August 1891, for inspecting the Muhammadan schools within the Municipal limits.

17. *Contribution from Private Individuals for Education.*—The sum of Rs. 370 shown against this head comprises the following items :—

		Rs.
(*a*)	Contribution from the Zemindar of Kangundi for Kuppam school	270
(*b*)	Contribution from the Monigar of Sadam for Sadam school ..	60
(*c*)	Do. do. Village Munsif of Kandoor for Kandoor school	40
	Total ..	370

18. *Medical—Contribution from Private Individuals.*—The sum of Rs. 4,420 shown under this head is composed of—

(1) Rs. 580 contributed by the Zemindar of Kangundi for the maintenance of the dispensary at Kuppam and (2) Rs. 3,840 contributed by the Mahant of Tirupati for the upkeep of the Dévastanam dispensary at Tirupati.

19. *Sundry Receipts.*—Rs. 600. This amount is expected to be realized from the sale of the town and cart-stand sweepings, manure, &c.

EXPENDITURE.

20. The total expenditure under all the four grants for the year is Rs. 4,21,950 as detailed below :—

		Rs.
Grant	I	2,34,780
"	II	73,370
"	III	90,990
"	IV	22,810
	Total ..	4,21,950

21. *Grant I—New Works.*—Provision is made for two works under "Communications," viz., the construction of (1) a causeway across the Pálár between Ránipet and Arcot (Rs. 25,000) and (2) a bridge of 3 arches on the road from Sholingur to Ponnai (Rs. 5,000), and three works under "Miscellaneous Public Improvements." For want of funds, no provision has been made for works under "Civil Buildings," though the want of a building for the civil dispensary at Punganúr and for a Lying-in hospital at Tirupati is much felt. Of the two works under "Communications" mentioned above, the construction of the Pálár causeway was commenced by the Public Works Department during the current year. Out of a sum of Rs. 35,000 allotted in the current year's budget for this work, a sum of Rs. 20,000 has been surrendered by the Public Works Department as intimated in G.O., dated 1st October 1891, Mis. No. 2375 L. The current year was the best season for carrying out this work, as there were hardly any freshes in the river this year. The matter came up before the last meeting of the District Board, and Major Rawson, who was present at the meeting, explained that the surrender was due to the contractor selected by the Superintending Engineer not having turned out work properly. A copy of the resolution of the Board is herewith submitted. The Government is aware of the importance of this work, and I take this opportunity of moving it to issue the necessary instructions in the Public Works Department to arrange for carrying out the work as early as possible.

22. A sum of Rs. 55,272 was collected by special tolls during the years 1889–90 to 1891–92, and a sum of Rs. 12,000 has been provided in the next year's budget under this head. Thus the total special tolls receipts up to the end of the year 1892–93 will aggregate Rs. 67,272. Out of this sum Rs. 15,000 during the current year and Rs. 25,000 for the next year have been allotted for the Pálár causeway work. Other works of importance on which it was proposed to spend the proceeds of the special tolls, as already mentioned in my letter to Government, dated 19th February 1889, Ref. on Genl. No. 74 L.F., are (1) the construction of a bridge of 3 arches over the surplus channel on the road from Sholinghur and Ponnai, the estimate

for which amounting to Rs. 17,120 was sanctioned by Government in its order, Mis. No. 1812 L., dated 17th August 1889, (2) the restoration of the Madras-Cuddapah trunk road, (3) the construction of a bridge over the Railway feeder at Kálahasti, and (4) the construction of a building for the District Board's office, the estimate for which, amounting to Rs. 6,030, was sanctioned in G.O., dated 19th June 1889, Mis. No. 1406 L. The first of these works has been undertaken this year. A sum of Rs. 5,000 has been allotted during the current year and a provision of Rs. 5,000 is made in the next year's budget. The works specified under items (2), (3) and (4) have not yet been undertaken for want of funds. Besides these works, the Punganúr-Kalloor road is in a most disgraceful condition. I deputed my Vice-President to inspect the road and to suggest what measures could be adopted to have the metal, collected on the road sides during the last famine, spread. On receipt of the Vice-President's note, I myself went over the road and find that it requiries immediate attention. The District Board Engineer has been called on to submit an estimate for it. The road is 34 miles in length. During the rainy season it is impassable for cart-traffic. About Rs. 7,000 will be wanted for this work. Thus the Government will be pleased to see that the Board have these important works to undertake at an early date.

1015/3

23. Out of the aggregate special toll collections of Rs. 67,272 a sum of Rupees 20,000 is provided during the current year for the causeway and Sholinghur bridge works, and I was able to allot only Rs. 30,000 for the two works next year for want of funds. The balance of Rs. 17,272, along with a portion of the general balance, was spent for the famine works noted below to provide employment and water-supply in the distressed tracts :—

24. In paragraph 5 of my letter to the Board of Revenue, dated 12th August 1891, No. 91 Camp, embodied in G.O., dated 5th October 1891, No. 929, Revenue, I, in my capacity as Collector, brought to the notice of the Board the financial state of the District Board and the allotment made for famine works from Local Funds; and I subjoin, for the information of Government, an extract therefrom :—

"I am bound, further, to exercise special care over Local Funds because there is so little of them. The Ranipet Board reserve and balance are both gone In fact, I believe, that that Board has contracted obligations in excess of its funds. The District Board has granted Rs. 3,000 in relief of the Taluk Board, Ranipet, and this sum has also disappeared. I have just, in anticipation of the District Board's approval, sanctioned a further sum of Rs. 3,000 in aid of this same Taluk Board. In addition, the District Board is liable for Rs. 7,000 and odd on account of the Kopedu-Ragigunta road. Now I very much doubt if the District Board has any further funds available. The savings of the past two years under tolls are strictly a fund set apart for the Pálár causeway and certain other works specified, the tolls having been levied on the distinct pledge that, when these works are executed, the tolls will be abolished. Owing to the fall in land revenue, the Local Fund collections have similarly fallen, and the prospect is that, they will further suffer in the present year. The balances and reserves of the other Taluk Boards cannot, I presume, be indented on for the Ranipet Taluk Board. I am therefore forced to the conclusion that further relief in Kálahasti Zemindari must be carried out exclusively from Provincial Funds."

What I anticipated in August last has now come to pass. The Government was pleased to remark in paragraph 2 of its order referred to above, that I have made out a case regarding the retention of the proceeds of special tolls for the causeway work, and that a special grant from Provincial Funds will be sanctioned for carrying out the Ragigunta valley road and for other relief works. As already explained, the balance under special tolls which were purposely raised for the Pálár causeway and other important works mentioned above, and a portion of the general balance has been spent on famine works. If the season during the next year should be favorable for the completion of the Pálár causeway and the Sholinghur bridge works, the District Board will be in want of funds to the extent of Rs. 20,000, the unallotted portion of the estimated amounts for these works. Under these circumstances, I request that Government will be pleased to move the Financial Department to sanction a grant-in-aid of Rs. 20,000 from Provincial Funds. Further, the following roads are in progress in the zemindari as relief works:—Maderpak-Bathalavalam, Baitakudianbedu-Tripurantakapuramkota. These roads have been sanctioned by the Commissioner; but, under sections 4 and 47 of the Famine Code, the District Board is liable to a demand on account of the same. Further again, the Executive Engineer found that the estimates for the roads mentioned in paragraph 23 above are insufficient and submitted revised estimates, which were sanctioned by the Commissioner, not by the District Board. For this excess, too, under section 4 of the Famine Code, the District Board is liable. The Board direct me to request that the demand on account of these sums should be foregone. In paragraph 5 of Board's Proceedings, No. 699, dated 30th October 1891, I was asked to report what contribution I would require from Provincial to Local Funds on this account. I shall reply to the same to the above effect. If this is done, the provision made under Grant I may be increased by Rs. 20,000.

25. *Repairs—Communications.*—The outlay proposed for the maintenance of the roads specified in Statement No. III-B is Rs. 1,48,900 against Rs. 1,49,790 in the current year. The net decrease of Rs. 890 is accounted for below:—

(1) The rates of maintenance per mile in the case of portions of the roads Nos. 11 and 13 have been reduced, as these portions are in good order and have very little traffic over them, and the rate for portion of road No. 9 has been increased, as the road is in bad order, and as the rate sanctioned for the current year is quite insufficient to maintain it in proper order.

(2) The rates of maintenance of portions of the roads Nos. 31 and 32, 36, 42, 48 to 51 under the Vellore Taluk Board have been reduced, and the road from Kuppam to Kangundi, which was recently formed, has been taken into the maintenance list.

(3) The maintenance rate of the road No. 78 was raised to improve the road, as its present condition is unsatisfactory, and the rates of roads Nos. 85 and 87 have been decreased, the length of the latter having been extended from 5 to 6 miles.

(4) Under the Arni Taluk Board, the rate for road No. 98 has been increased from Rs. 50 to 100 per mile to improve the condition of the road.

The roads from the Central Jail to Tellai Forest and from Tellai Forest to Amerdi (items 45 and 46 in the current year's budget) have been amalgamated into "road from the Central Jail to Amerdi Forest, *viâ* Tellai."

26. *Civil Buildings.*—A sum of Rs. 1,340 is provided for the repair of hospitals, school buildings, chattrams and bungalows against Rs. 2,070 in the current year.

27. *Miscellaneous Public Improvements.*—The improvement of markets and the maintenance of avenues fall under this head. A sum of Rs. 8,540 is provided under this head against Rs. 13,440 during the current year. The major portion of the decrease is effected in the maintenance grant of avenues owing to the insufficiency of funds.

28. *Establishment.*—A provision of Rs. 31,960 is made under this head against Rs. 31,430 during the current year. The increase of Rs. 530 chiefly represents (1) the increase in the pay of the District Board Engineer from Rs. 600 to Rs. 625 up to the 30th September 1892, from Rs. 625 to Rs. 650 from October 1892 to the end of the year, agreeably to the sanction conveyed in G.O., Mis. No. 992 L., dated 6th May

1889, and (2) the increased provision made for the pay of the Engineer's head clerk from Rs. 40 to Rs. 50, the scale originally sanctioned by Government in its order, No. 98 L.F., dated 1st May 1885. The percentage of the cost of the establishment to the total outlay on works, which amounts to Rs. 1,65,830, exclusive of Rs. 25,000 allotted for the Pálár causeway, is 20·47. The sum of Rs. 5,750 provided for the Public Works Department supervision is calculated at 23 per cent. on the sum of Rs. 25,000 allotted for the Pálár causeway work. Provision of Rs. 150 is also made for contribution to the Public Works Department for the scrutiny of the Local Fund plans and estimates and for the collection of Local Fund revenue.

29. *Tools and Plant.*—The sum of Rs. 2,030 provided under this head includes Rs. 375, the proportionate cost of tools and plant for the Pálár causeway work, calculated at 1½ per cent. on the total allotment for the work, and Rs. 1,655 calculated at 1 per cent. on the total outlay on works by the Local Fund Engineering establishment. The cost of the Engineering establishment, tools and plant and contingencies chargeable to the Taluk Boards is distributed among them at the average rates of 17·49, ·74 and 1·28, respectively, calculated under the instructions conveyed in G.O., dated 5th August 1890, No. 1942 L.

30. A sum of Rs. 2,060 is provided for contribution payable to the Chingleput District Board on account of the four roads, which they are maintaining for this District Board.

31. *Total Grant I.*—The following shows the total outlay proposed under Grant I with the percentage on total assets:—

	Amount.	Percentage on total assets.
	RS.	RS.
District Board	1,24,670	56·58
Chittoor Taluk Board	17,710	45·81
Vellore do	28,350	47·69
Ranipet do.	44,450	54·40
Arni do.	19,600	47 70
Total ..	2,34,780	53·19

32. *Grant II—Education.*—The provision made under this grant is Rs. 73,370 against Rs. 76,950 in the current year, and it is distributed as shown hereunder:—

	1892-93.	1891-92.
	RS.	RS.
Inspection	4,560	3,360
Sessional schools	1,170	7,320
Training Muhammadan student	100	190
Secondary schools	14,850	16,810
Elementary schools	36,140	32,060
Results grants	15,060	14,700
Contribution to Municipality	130	130
Miscellaneous	1,360	2,380
Total ..	73,370	76,950

33. *Inspection.*—At present there are nine Inspecting Schoolmasters, including the Muhammadan Inspecting Schoolmaster recently entertained, under the sanction of Government accorded in its order, dated 1st August 1891, Mis. No. 1851 L. The Inspector of Schools has proposed the entertainment of two more Inspecting Schoolmasters, one for the Vellore and the other for the Wálájah Ranges, as the present staff, consisting of three Inspecting Schoolmasters in the former and two in the latter, is quite inadequate to cope with the requirements of the large number of schools in

these ranges. The District Board, before whom the matter was placed at their meeting held on the 30th November last, approved of the Inspector's proposal. The pay of the proposed two Inspecting Schoolmasters is set down at Rs. 20 each per mensem, the minimum amount fixed in Mr. Grigg's letter to Government, dated 18th March 1891, No. 3005, embodied in G.O., dated 23rd May 1891, No. 1210 L., with fixed travelling allowance and contingencies at Rs. 10 each. Sanction of Government will be obtained for this additional establishment. The provision of Rs. 4,560 made under "Inspection" includes the pay and allowances of the additional Inspecting Schoolmasters and of the Muhammadan Inspecting Schoolmaster recently entertained.

34. *Sessional Schools.*—A provision of Rs. 1,170 is made for two Sessional schools including the one now existing in the Telugu parts of this district. Mr. Bickle, the Inspector of Schools, Central Circle, urged that there should be two Sessional schools for this district, one in the Northern and the other in the Southern Pálár division for training the Telugu and Tamil village schoolmasters respectively, in method and for preparing them for the Primary School Examination. He further suggested that no separate teachers need be entertained in these schools, but that the Inspecting Schoolmasters should, by turns, teach the students. The number of Inspecting Schoolmasters having been increased, there could be no difficulty in arranging to have the village schoolmasters taught at different centres by the Inspecting Schoolmasters. The present headmaster of the Telugu Sessional school will be pensioned on the 1st April 1892. The District Board approved of these proposals, and resolved that the two Sessional schools should be held each at three centres for three months at each centre. Accordingly, provision is made for 12 students in each school with a stipend of Rs. 5 each per mensem for nine months during the year, which comes to Rs. 1,080, and a sum of Rs. 90 is provided for house-rent and contingencies.

35. A sum of Rs. 100 is provided for training a Muhammadan student in the Muhammadan Normal school at Madras on a stipend of Rs. 8 per mensem.

36. *Secondary and Elementary Schools.*—The total allotment for these two classes of schools is Rs. 50,990 against Rs. 48,870 during the current year as detailed below :—

		1892-93.	1891-92.
		Rs	Rs.

Arni do.	.. ..	9,850	10,450

37. The increase of Rs. 2,120 is explained as follows :—

I. *Secondary Schools.*—(*a*) Provision is made by the Chittoor Taluk Board for payment of the second biennial increment of Rs. 10 and Rs. 5 to the head and the 2nd masters, respectively, of the High school at Chittoor, and for the entertainment of an additional peon on Rs. 5 per mensem sanctioned in G.O., dated 8th December 1891, Mis. No. 3063 L.

(*b*) Increased provision is made by the Vellore Taluk Board (1) for raising the pay of the gymnastic instructor of the Middle school at Arcot from Rs. 5 to Rs. 10, for which sanction of Government has been sought in my foot-note No. 3722, Ref. on Genl. L.F., dated the 11th instant, and (2) for appointing a separate gymnastic instructor for the Kuppam Middle school on a salary of Rs. 7 per mensem in lieu of the allowance of Rs. 3 per mensem paid to the headmaster of the school for the purpose (*vide* G.O., dated 6th March 1890, Mis. No. 502 L.).

(*c*) The pay of the headmaster and of the 1st and the 2nd assistants of the Middle school at Arni is proposed to be raised by Rs. 4, 2, and 1, respectively.

(*d*) The Secondary schools at Karvetnagar and Tirutani have been split up each into two separate schools—Middle and Primary—under the sanction of Government, *vide* G.O., dated 22nd July 1891, Mis. No. 1757 L., and it is proposed to divide the Secondary school at Chandragiri likewise. Hence the provision for the salaries of masters in these schools shows a decrease.

(*e*) The provision made for the carpentry teacher in the Arni Middle school at the rate of Rs. 15 per mensem in the current year's budget has been omitted in the next year's budget, as the Local Mission Industrial school amply provides for the need.

II. Elementary Schools.—(*a*) In pursuance of the orders of Government conveyed in G.O., dated 28th August 1891, No. 2055 L., directing that the amounts saved to the District Boards by provincializing the Normal schools hitherto maintained by them, should be utilized for the spread of Primary education, the several Taluk Boards have provided for the opening of 18 schools on Salary Results system within their respective local areas as detailed below :—

(*d*) The most important change in the establishments of the Elementary schools in this district is the introduction of the system of grading the Salary Results schools of this class, recommended by the Director of Public Instruction in his Proceedings, dated 2nd November 1889, No. O-696, the main object being to make the teachers depend more on results stipends than on fixed salaries, with a view to secure efficiency. Further, it provides for teachers securing their promotion by improving the schools in strength and standard. According to this system, it is proposed to have five grades of schools and five grades of teachers. A *first*-grade school should have *about* 70 pupils and should be of the Upper Primary grade, a *second*-grade school should have *at least* 50 pupils, a *third*-grade *at least* 40, a *fourth*-grade *about* 30 and a *fifth* below 25. The salaries of the teachers are also graded at Rs. 12, 9, 8, 6 and 5, respectively, and the grant to be given to them is 75 per cent. of what is actually earned by them. A *first*-grade school, is to have four teachers on salaries of Rs. 12, 8, 6 and 5; a *second*-grade school to have three teachers on salaries of Rs. 9, 6 and 5; a *third*-grade school, two teachers on Rs. 8 and 5; a *fourth*-grade school, one teacher on Rs. 8; and a *fifth*-grade school, one teacher on Rs. 6. The Elementary schools under all the four Taluk Boards budgeted for have been graded pursuant to this system, and the pay of the teachers has been either increased or decreased as the case may be. This system further necessitated the entertainment of additional establishments referred to in (*b*) *supra*. Sanction of Government is solicited (1) for the entertainment of these additional establishments, with the exception of that against item 3—Persian teacher for the Yeomiah school at Arcot sanctioned in G.O., dated 15th October 1891, Mis. No. 2559 L; (2) for the increase to the pay of the servants referred to in (*c*) above; (3) for the entertainment of the establishments in the schools proposed to be opened; and (4) for the increase or the decrease in the pay of the teachers of the existing schools brought about by the introduction of the grading system.

38. *Results Grants.*—A sum of Rs. 15,060 has been provided for this item against Rs. 14,700 in the current year.

39. *Contribution to Municipality.*—The sum of Rs. 130 provided under this head is the usual contribution due by the District Board towards the upkeep of the Gudiyátam Municipal school.

40. *Miscellaneous.*—Rs. 1,360 provided under this head include (1) Rs. 1,000 for the purchase of Elementary school books to be supplied to the Inspecting Schoolmasters for sale in the Local Fund and Indigenous schools in the rural tracts of the district, (2) Rupees 150 for commission on the sale of books to be paid to the Curators and (3) Rs. 210 for the purchase of periodicals and other books mentioned below :—

(*c*) The "Sukatharabhodhini."
(*d*) The "Janavinothini."
(*e*) The "Lancet."
(*f*) The "Medical Practitioner."
(*g*) The "Maharani."

41. *Total Grant II.*—The total expenditure proposed for education is as follows :—

	Amount.	Percentage on total assets.
	RS.	
District Board	7,170	3·25
Chittoor Taluk Board	17,720	45·84
Vellore do.	20,110	33·83
Ranipet do.	14,820	18·14
Arni do.	13,550	32·95
Total ..	73,370	16·62

42. *Grant III—Hospitals and Dispensaries.*—The provision made for hospitals and dispensaries amounts to Rs. 34,630 against Rs. 33,020 in the current year. The increase of Rs. 1,610 occurs in the following items :—

(1) The increase under "Medical Subordinates" is due to (*a*) the posting of a First-class Hospital Assistant to the Kálahasti dispensary in lieu of the second-class man and (*b*) the increase in the pay of the Civil Apothecary attached to the hospital at Arni, proposed to be given from July 1892.

(2) The increase under "Clerks and servants" is due to (*a*) the pay of the nurse and the gardener attached to the Palmanér hospital being proposed to be raised from Rs. 4 to 5 each per mensem; (*b*) the proposed increase in the pay of the compounders attached to the dispensaries at Arcot, Kuppam and Ambúr, from Rs. 11 to Rs. 12, from Rs. 9 to Rs. 12 and Rs. 8 to Rs. 9, respectively; (*c*) the increase in the provision for the pay of the two servants attached to the Tiruvattur dispensary, agreeably to the scale sanctioned in G.O., dated 19th May 1891, Mis. No. 1186 L., (*d*) and to the increase in the pay of the ward-cooly, two peons, the nurse and the waterman from Rs. 4½, 8, 3 and 2 to Rs. 6, 10, 5 and 3, respectively, recently sanctioned by Government, in its order Mis. No. 2408 L., dated 6th October 1891.

(3) The increase under "Midwives and Midwifery pupils" is due to (*a*) the entertainment of a midwife on Rs. 8 per mensem in lieu of the nurse on Rs. 4, in the Punganúr dispensary, under sanction conveyed in G.O., dated 21st March 1891, Mis. No. 667 L; (*b*) the proposed entertainment of a midwife in the Arcot and Ambúr dispensaries on Rs. 8 each per mensem. Sanction of Government for the former has been requested in my letter, Ref. on Genl. No. 3435 L.F., dated the 21st ultimo, and that for the latter will be applied for shortly; (*c*) the increased provision made for the pay of the midwives attached to the Lying-in Hospital at Arni and the dispensary at Pólúr. The President of the Arni Taluk Board has not explained the necessity for increasing the pay of these two midwives. He has been called upon to forward proposition statements setting forth the grounds for the increases, which will be submitted to Government on receipt.

(4) The variations in the provisions under "Contingencies, &c.," have been made with reference to the requirements of each institution.

43. A provision of Rs. 200 is made for training four midwifery pupils, on a stipend of Rs. 4 per mensem, under sanction conveyed in G.O., dated 30th July 1890, Mis. No. 1887 L. This amount is included in the sum of Rs. 1,712 provided against item No. 6 in the statement No. 1-B., but not taken into account in the amount shown as the estimated expenditure under hospitals and dispensaries in paragraph 42 *supra*.

44. The sum of Rs. 660, provided for the District Surgeon's establishment, consists of Rs. 300, the pay of the head clerk on Rs. 25 per mensem, Rs. 144, at Rs. 12 per mensem, being a portion of the pay of the 2nd clerk, Rs. 168, the pay of two peons at Rs. 7 each per mensem, and Rs. 48, the travelling allowance of the two peons and office contingencies. As regards the reduction in the pay of the 2nd clerk, referred to the District Board by Government, in its order, dated 23rd October 1891, No. 2591 L., for consideration and report, the matter is under correspondence with the District Surgeon and will be reported on shortly.

46. The provision made under this head amounts to Rs. 12,030 against Rs. 12,440 in the current year. The decrease of Rs. 410 is due to the provision under "Contingencies" having been made with reference to actual requirements.

47. *Sanitation.*—The allotment made for sanitation amounts to Rs. 29,840 against Rs. 28,940 in the current year. It is distributed under the various heads as shown below :—

(5)	Other sanitary outlay	1,010	1,400
	Total ..	29,840	28,940

48. The increase under item No. (1) is due to the following causes :—

(*a*) Provision has been made for—

(1) the entertainment of a tank watchman on Rs. 2 per mensem for Patnam village in Chittoor taluk, for which sanction of Government will shortly be applied for;

(2) a tank watchman on Rs. 2 per mensem entertained to guard the fresh-water pond in the village of Vasur in Wallajah taluk (G.O., Mis. No. 1092 L., dated 7th May 1891);

(3) two tank watchmen on Rs. 1-8-0 each to guard the two fresh water ponds at Thondavada in Kálahasti division (*vide* G.O., Mis. No. 1617 L., dated 23rd July 1891);

(4) a watchman on Rs. 2 to dig springs in the river at Damalcheruvu (G.O., Mis. No. 1498 L., dated 22nd June 1891);

(5) a watchman on Rs. 3 appointed to watch the pond at Pakala in Chandragiri taluk (G.O., Mis. No. 54 L., dated 12th January 1891); and

(6) a watchman on Rs. 2-8-0 per mensem, temporarily, to guard the spring channel in Ranipet Union for 4 months during the hot season;

(*b*) for the repair of tanks and wells in Chittoor and Wandiwash Unions to the extent of Rs. 100 and Rs. 200, respectively;

(*c*) for sinking wells in the Pálár river at Arcot and in the Cheyár at Tiruvattur;

(*d*) for repairing the fresh water ponds at Moranam, Kalavai, Sathiamangalam Oosoor, Varadareddipoliem, Sevur and Puttoor at a cost of Rs. 780 against Rs. 720 during the current year.

49. The increase under item No. (2) is chiefly due to the increased provision made for removing prickly-pear in Wandiwash and Vellore taluks.

50. The increase under item No. (3) is due to the following causes :—

(*a*) Provision has been made for the additional scavengering establishments, sanctioned and proposed, in the towns and villages noted below :—

(1) A sweeper at Baireddipalli on Rs. 4 per mensem sanctioned in G.O., dated 9th January 1891, Mis. No. 30 L.

(2) Two additional sweepers on Rs. 5 each for Punganúr town (*vide* G.O., dated 10th January 1891, Mis. No. 39 L.).

51. The slight decrease under item (4)—Arrangements at fairs and festivals—does not call for any remark. The net decrease of Rs. 380 under "Other sanitary outlay" is chiefly due to the provision of Rs. 250, made during the current year for the purchase of dust-bins and the repair of latrines in the Chittoor Union and Punganúr town, having been omitted in the next year's budget, and to the reduction in the provision for epidemic charges under the Vellore Taluk Board.

52. *Markets.*—Provision is made for 44 markets and 3 slaughter-houses against 43 and 3, respectively, in the current year. The increase in the number of markets is due to the opening of a weekly market at Pathagunta under the Ranipet Taluk Board, approved of by Government in its order, Mis. No. 2098 L., dated 1st September 1891.

48. The increase under item No. (1) is due to the following causes :—

(*a*) Provision has been made for—

(1) the entertainment of a tank watchman on Rs. 2 per mensem for Patnam village in Chittoor taluk, for which sanction of Government will shortly be applied for;

(2) a tank watchman on Rs. 2 per mensem entertained to guard the fresh-water pond in the village of Vasur in Wallajah taluk (G.O., Mis. No. 1092 L., dated 7th May 1891);

(5) a watchman on Rs. 3 appointed to watch the pond at Pakala in Chandragiri taluk (G.O., Mis. No. 54 L., dated 12th January 1891); and

(6) a watchman on Rs. 2-8-0 per mensem, temporarily, to guard the spring channel in Ranipet Union for 4 months during the hot season;

(*b*) for the repair of tanks and wells in Chittoor and Wandiwash Unions to the extent of Rs. 100 and Rs. 200, respectively;

(*c*) for sinking wells in the Pálár river at Arcot and in the Cheyár at Tiruvattur;

(*d*) for repairing the fresh water ponds at Moranam, Kalavai, Sathiamangalam Oosoor, Varadareddipoliem, Sevur and Puttoor at a cost of Rs. 780 against Rs. 720 during the current year.

49. The increase under item No. (2) is chiefly due to the increased provision made for removing prickly-pear in Wandiwash and Vellore taluks.

50. The increase under item No. (3) is due to the following causes :—

(*a*) Provision has been made for the additional scavengering establishments, sanctioned and proposed, in the towns and villages noted below :—

(1) A sweeper at Baireddipalli on Rs. 4 per mensem sanctioned in G.O., dated 9th January 1891, Mis. No. 30 L.

(2) Two additional sweepers on Rs. 5 each for Punganúr town (*vide* G.O., dated 10th January 1891, Mis. No. 39 L.).

(3) Remuneration to be paid to the bungalow watchman at Tiruvattúr for supervising the work of the local scavengers, under sanction accorded in G.O., Mis. No. 453 L., dated 1st March 1890.

(4) A sweeper at Damalcheruvu on Rs. 4 per mensem (*vide* G.O., dated 22nd June 1891, Mis. No. 1498 L.).

(5) Proposed entertainment of an additional scavenger on Rs. 6 per mensem to remove the night-soil at Kálahasti, 3 scavengers on Rs. 5 each for the Ranipet Union, and 2 more scavengers on Rs. 5 each for the Wandiwash Union.

(*b*) The pay of two sanitary pygusts attached to Chittoor Union has been raised from Rs. 8 and Rs. 6 to Rs. 10 and 7, respectively, and the pay of the two toties of Punganúr town has also been raised from Rs. 6 to Rs. 7 under G.O., Mis. No. 2888 L., dated 19th November 1891.

51. The slight decrease under item (4)—Arrangements at fairs and festivals—does not call for any remark. The net decrease of Rs. 380 under "Other sanitary outlay" is chiefly due to the provision of Rs. 250, made during the current year for the purchase of dust-bins and the repair of latrines in the Chittoor Union and Punganúr town, having been omitted in the next year's budget, and to the reduction in the provision for epidemic charges under the Vellore Taluk Board.

52. *Markets.*—Provision is made for 44 markets and 3 slaughter-houses against 43 and 3, respectively, in the current year. The increase in the number of markets is due to the opening of a weekly market at Pathagunta under the Ranipet Taluk Board, approved of by Government in its order, Mis. No. 2098 L., dated 1st September 1891.

Rs. 1,000 for establishment, and Rs. 400 for contingencies have been provided under this head, against Rs. 950 and Rs. 420, respectively, during the current year. The increased provision of Rs. 50 under establishment is due to the entertainment of an additional watchman on Rs. 4 per mensem for the Ranipet market, under the control of the Union Panchayat.

53. *Choultries.*—A provision of Rs. 2,730 is made under this item against Rs. 2,690 in the current year. The increase of Rs. 50 is due to the increased provision made for the feeding charges in the Annadana chattram at Sholinghur.

54. *Public Bungalows.*—Rupees 860 are provided under this head against Rs. 1,070 during the current year. The decrease is attributable to the savings effected by the reduction in the pay of the Tirupati bungalow watchman from Rs. 4 to 3 per mensem under G.O., dated 29th October 1891, Mis. No. 2700 L., and to the abandonment, by the Chittoor Taluk Board, of the bungalow at Naickeneri. Provision is made in the current and next year's budgets for the pay of the watchmen of the bungalows at Arni and Wandiwash at Rs. 4 each per mensem; but they are paid at only Rs. 3 per mensem. The Arni Taluk Board have proposed to give them the increased rate of pay as provided in the budget, on the ground that they have, in addition to their own work, to look after the tools of the Engineering Department kept in the adjoining store-sheds. In the case of the Wandiwash bungalow watchman, sanction for the increment is sought retrospectively from 1st April 1891, the date when he commenced his additional work. The Arni watchman looks after the tools from 1st November last. Proposition statements, together with Taluk Board's resolutions, are herewith submitted, and I request that Government will be pleased to sanction the increments with retrospective effect from the dates referred to above.

55. *Contribution to Provincial Service.*—The provisions made against items 1 to 4 under this head represent the actual expenditure of the previous year, as directed in G.O., dated 2nd April 1887, No. 641 L.

56. *Contribution to Municipalities.*—The provision made under this head is detailed below:—

	Rs.
(1) To the Vellore Municipality for the upkeep of the dispensary at Vellore	1,200
(2) To the Vellore Municipality for the upkeep of lights at the Pálár bridge	100
(3) To the Wallajah Municipality towards the upkeep of the dispensary at Wálájapet	580
(4) To the Gudiyátam Municipality towards the upkeep of the dispensary at Gudiyátam	450
Total ..	2,330

57. *Miscellaneous.*—A sum of Rs. 3,690 is provided under this head for lighting charges of Unions and for giving rewards for killing dogs (*vide* particulars given at foot of statement No. VIII). This provision includes Rs. 80, reward for killing dogs in the jurisdiction of the Chittoor Taluk Board and Rs. 10 for providing lights in Punganúr Town, not shown in statement No. VIII.

58. *Total Grant III.*—The total expenditure proposed under this grant is shown below:—

	Amount.	Percentage on total assets.
	Rs.	
District Board	22,920	10·40
Chittoor Taluk Board	14,620	30·06
Vellore do.	15,890	26·73
Ranipet do.	25,770	31·54
Arni do.	11,790	28·69
Total ..	90,990	20·61

59. *Grant IV.*—The total provision under this grant amounts to Rs. 22,810 against Rs. 24,120. The net decrease of Rs. 1,310 is chiefly due to the reduction made to the extent of Rs. 1,000 in the allotment for the travelling allowance of the non-official members of the District Board with reference to the actuals of the past 9 months of the current year, and in consideration of the fact that the opening of the Villupuram-Guntakal State Railway has tended to minimize the large amount of mileage hitherto drawn by them by taking road journeys. Provision is also made under "Local Board's office establishment," (1) for the pay of an additional clerk on Rs. 10 per mensem for the Chittoor Taluk Board, as the work of that office has, of late, increased so much that it is found impossible for one clerk to attend to the work satisfactorily, and (2) for the entertainment of establishments in the offices of the Union Panchayats at Chandragiri, Kuppam and Renigunta, whose formation was sanctioned in G.Os., dated 2nd April 1891, 24th April 1891 and 14th October 1891, Nos. 747 L., 1000 L., and 2529 L., respectively. Separate application will be submitted shortly for obtaining the sanction of Government for the entertainment of the additional clerk in the Chittoor Taluk Board's office.

1015/8

60. *Reserve.*—The amount of reserve set apart for the District and Taluk Boards is calculated at only 2 per cent. of the net receipts of the respective Local Boards. The small percentage allotted for reserve is mainly owing to want of funds.

61. The allotments from the District to the Taluk Funds are as shown below:—

	Amount.	Percentage on the assets.
	Rs.	
(1) Chittoor Taluk Board	15,150	39·13
(2) Vellore do.	15,990	26·90
(3) Ranipet do.	9,890	12·14
(4) Arni do.	7,800	18·83
Total ..	48,830	22·09

62. *Balance.*—The year is expected to close with a balance of Rs. 11,800 composed of Rs. 330 under Union and Rs. 11,470 under Endowment Funds. For want of funds, no balance has been set apart for general purposes. Though rule 27 of the Local Fund rules prescribes that the budget should be framed so as to leave, besides a reserve of 10 per cent. of the estimated receipts, a further balance of 5 per cent. to meet any deficiency in the year's receipts, and to serve as a working balance for the next year, still for want of funds, a reserve of only 2 per cent. has been provided with no balance at all. This small reserve itself has been provided by reducing the avenue establishments and by curtailing expenditure under Grant I. The Sub-Assistant Inspector of Schools, Wallajah Range, complained that the Ranipet Taluk Board had not made adequate provision for opening new schools in that range. I do not see my way to make any allotment to the Ranipet Taluk Board, so as to enable that Board to provide funds for the purpose.

From Surgeon-Major J. A. LAING, Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 25th January 1892, No. 217.

I have the honour to report that the provisions made by the North Arcot District Board for sanitation and vaccination for 1892–93 appear to be ample for the purposes intended and call for no remark. For the former Rs. 29,840 have been set apart, and for the latter Rs. 12,030.

From H. B. GRIGG, Esq., M.A., C.I.E., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 10th February 1892, No. 1633.

I have the honour to submit the following remarks on the budget estimate of the North Arcot District Board for 1892–93.

2. *Receipts.*—The Educational assets are estimated at Rs. 27,530 excluding appropriations from land-cess. The fee revenue is set at a lower figure than in the current year's budget, and is attributed to the reduction of one middle school and to the separation of primary departments of three middle schools. What the effect of the new fee notification will be cannot be forecasted, and the Board's figure may be accepted. To the estimate, Rs. 8,330 under Provincial grant, a sum of Rs. 108, or in round numbers Rs. 110, may be added for stipends to three Muhammadan teachers who may be sent for training in the ensuing year. The Board schools are not generally well accommodated, and it is very necessary that this drawback should soon be rectified to meet the requirements of the Educational rules. I would accordingly suggest that a sum of Rs. 1,000 may be allotted under Grant I for school-houses, the Board taking credit for a third grant of Rs. 1,000 from Provincial funds.

3. *Charges.*—The expenditure proposed under Grant II aggregates Rs. 73,370, against Rs. 76,950 in the current year's budget:—

	1891–92.	1892–93.
	Rs.	Rs.
Inspection	3,360	4,560
Training schools	7,510	1,270
Board schools—		
Secondary	16,810	14,850
Primary	32,060	36,140
Grants-in-aid	15,310	15,060
Miscellaneous	1,900	1,490
Total ..	76,950	73,370

4. *Inspection.*—The proposed strengthening of the inspecting schoolmaster agency has my entire approval. I trust that the Board will be able to secure the services of trained F. As. for the new posts to be created or at any rate introduce F. As. into the better-paid posts, filling these new posts by inferior men already on the establishment.

5. *Training Schools.*—For sessional schools Rs. 1,170 are provided and will be necessary. The inspecting officers will be specially required to see that the full grant is utilized. The Board's proposal amounts to the working of six such schools during the year, each for about three months. I notice that the Board proposes to utilize the inspecting schoolmaster agency for this work. I think it would be better to have regular sessional school teachers, who should pass from taluk to taluk holding a sessional school at a centre selected by the Board for 2 or 3 months, and then passing on to another centre. In this way every taluk in a district might be visited once a year if 3 or 4 sessional masters were appointed for the district. In addition to this agency inspecting schoolmasters should hold classes for teachers in various centres for a week or ten days at a time during their tours, preparing masters for the sessional schools. This system steadily persevered in would, in the course of a very few years, result in almost every pyal teacher in the district qualifying as a primary teacher by passing the Primary School examination. Trusting that the measure suggested will be approved, I have provided Rs. 640, which should suffice for two efficient teachers and contingencies. Only Rs. 100 are entered for stipends to one Muhammadan teacher. I would recommend that the item be raised by Rs. 190 to meet the stipends of three such teachers.

6. *Board Schools.*—It is gratifying to note that the secondary schools are to be worked more economically than in the current year. The net cost of the Chittoor high school is borne from Provincial funds. Six middle schools are proposed to be maintained at a net cost of Rs. 740—a comparatively small amount. I greatly appreciate the action of the Board in grading the salary-results schools generally on

the lines suggested by me, and in proposing to utilize the net saving consequent on the provincialization of training schools in the establishment of 18 new schools, seven of which are intended for the education of paraiyas and kindred races. The changes in the establishments have also my approval. Care must be taken to see that trained and passed men alone are in future appointed to permanent places in Board schools. The net average estimated cost to the Board on account of each primary school—viz., Rs. 173— is, however, high. No provision having been made in the Educational budget for the Muhammadan girls' school, Chittoor, the school must continue to be maintained from Local funds till Government can take it over under its management.

7. *Grants-in-aid and Miscellaneous.*—The assignments under these heads are sufficient and call for no remark. Building and furniture grants are not provided for, but these will be paid direct from Provincial funds. The Board of Revenue has suggested to all Collectors the expediency of sending *bonâ-fide* maistries from their districts to undergo training in the maistry and artisan class of the College of Engineering.* The District Board of Coimbatore has already acted on the suggestion, and I am addressing Government separately supporting their proposal to send two *maistries* with a monthly stipend of Rs. 10 each to be paid from Local funds. I beg to request that the North Arcot Board may also be requested to consider the question of sending *maistries* for a course of training in the College of Engineering.

* *Vide* Board's Proceedings, No. 610, dated 24th September 1891.

8. The total expenditure under Grant II will be Rs. 74,200. The net cost (Rs. 74,200–27,640) 46,560 compares favorably with that proposed for the current year, viz., Rs. 44,990.

The principal variations between the budget and the revised estimate for 1891–92 and those between the budget estimates for 1891–92 and 1892–93, except in the cases noted below, are explained in the President's letter :—

A. These increases are covered by subsequent allotments.
B. These variations are due to the transfer of the provision originally made for contribution to Provincial funds on account of vaccine paste to the head Vaccination—Contingencies.

2. The following errors, discrepancies and omissions are noticed in the budget statements :—

(1) In the last column of Statement I-A, the Accountant-General's finally-audited figures have not been adopted in some cases.

(2) In columns 2 and 3 of Statement I-B, the expenditure on tools and plant by the Public Works Department should have been distinguished from the outlay under this head by the Local Fund Engineering establishment, as required in paragraph 2 (2) of official memorandum, dated 25th September 1891, No. 813.

(3) In the last column of Statement I-B, the closing balance of 1890–91 under the Endowment fund is shown as Rs. 17,563, whereas the figure reported by the Accountant-General and shown in column 32 of Appendix XXX to G.O., dated 16th December 1891, No. 3130 L., is Rs. 17,545.

(4) In column 3 of Statement III-A, the total of the estimates for New Works—Miscellaneous Public Improvements and the grand total of the estimates for all new works are shown as *nil* and Rs. 2,050, respectively, instead of Rs. 2,050 and Rs. 72,282.

(5) In column 4 of the same statement, the computed expenditure on all new works up to 31st March 1892 is incorrectly shown as *nil* instead of Rs. 20,000.

(6) In column 33 of Statement IV-A, the total number of servants employed in all the Local Fund schools is shown as 154, whereas the total of the details furnished is 155.

(7) The figures for 1891–92 shown in Statements IV-A and V should have been those of the sanctioned budget, as already pointed out in paragraph 2 (6) of G.O., dated 10th March 1891, No. 542 L., and not those of the budget as revised with reference to subsequent allotments and transfers.

(8) In column 6 of Statement VII, the rents, &c., expected from the Damal Cheruvu market are incorrectly shown as Rs. 900 instead of Rs. 90.

(9) In the foot-note to Statement VIII, the cost of supervision and of tools and plant on account of certain works in the Arcot Union should have been shown separately, as already directed in paragraph 2 (3) of official memorandum, dated 25th September 1891, No. 813, and not lumped together.

(10) In column 5 of Statement IX, the Provincial grant of Rs. 1,150 on account of the school buildings referred to in paragraph 7 of the President's letter should have been shown under a new head subordinate to 7 (*a*) Education, and not under 7 (*c*) Public Works.

(11) In column 5 of the same statement, Rs. 6,170 and Rs. 2,287, respectively, are provided for Public Works Department supervision charges and tools and plant, whereas the budget figures as modified by G.O., dated 1st October 1891, No. 2375 L., are Rs. 4,180 and Rs. 2,110, respectively.

The necessary corrections have been made with reference to clauses (1), (4), (5), (8) and (10) above. The discrepancies noticed in clauses (3), (6) and (11) should be explained at an early date.

REVISED ESTIMATE FOR 1891–92.

3. The current receipts and charges are now estimated at Rs. 3,70,800 and Rs. 5,12,090, respectively, against Rs. 4,06,740 and Rs. 5,01,440 anticipated in the sanctioned budget. The decrease in the receipts occurs chiefly under land-cess and tolls, while the increase in the charges appears mainly under Grants I and III. The contribution from Provincial funds on account of public works will be reduced from Rs. 12,650 to Rs. 12,450, with reference to G.O., dated 23rd January 1891, No. 149 L. It is very unsatisfactory to observe that the expenditure on public works during the first six months of the year was only 12 per cent. of the allotment, notwithstanding the remarks passed in G.O., dated 10th March 1891, No. 542 L., and G.O., dated 9th October 1891, No. 2462 L. This should not be allowed to occur again. The net balance of the budget allotment for training schools should have been provided as a contribution to Provincial Funds with reference to G.O., dated 25th August 1891, No. 2055 L. The provision for controlling establishments at the Presidency will be reduced from Rs. 2,860 to Rs. 2,820, being ·70 per cent. of the receipts for 1889–90, excluding debt heads and contributions from special funds, private individuals, municipalities, &c. The balance to be carried forward to the ensuing year's budget will be Rs. 46,660, viz., Rs. 41,680 under the District Fund and Rs. 4,980 under Taluk Funds.

BUDGET ESTIMATE FOR 1892–93.

4. *Receipts.*—The receipts for the ensuing year are estimated at Rs. 3,94,540, against Rs. 3,70,600 anticipated in the revised estimate for the current year, the increase occurring chiefly under land-cess and being partly counterbalanced by a

decrease under contributions from Provincial funds. The Provincial grant for education will be raised by Rs. 110, with reference to paragraph 2 of the Director's letter read above. The application for the grant of Rs. 20,000 from Provincial funds, referred to in paragraph 24 of the President's letter, will be considered in the Financial Department. The additional contribution of Rs. 20,000 proposed in the latter portion of the same paragraph is now unnecessary, as under G.O., dated 15th December 1891, No. 6373, Revenue, all relief works in this district have been stopped.

5. *Expenditure*—(1) *Grant I.*—The provision made for contribution to the Public Works Department for the scrutiny of Local Fund plans and estimates will be raised from Rs. 150 to Rs. 160, with reference to G.O., dated 11th January 1892, No. 60 L. Orders will be issued in the Public Works Department with reference to the latter portion of paragraph 21 of the President's letter.

(2) *Grant II.*—The provision for the training of Muhammadan teachers will be raised by Rs. 190, with reference to paragraph 5 of the Director's letter, and the remaining suggestions made by him in paragraphs 2 and 5 will be referred to the Local Boards for consideration and early report, their attention being drawn to his remarks in paragraphs 4 and 6. With reference to paragraph 7 of the Director's letter, it is observed that the training of maistries and artisans at the cost of Local Funds is at present undesirable. *Vide* G.O., dated 20th November 1890, No. 2992 L. The usual proposition statement should be submitted without delay for the additions to, and alterations in, the establishments proposed in paragraphs 33 and 37 of the President's letter.

(3) *Grant III.*—The provision for hospitals and dispensaries will be passed subject to the remarks of the Surgeon-General. The usual proposition statement should be submitted for the alterations in the hospital and conservancy establishments referred to in paragraphs 42 (2) and (3) and 48 (1) of the President's letter, and the report promised in paragraph 44 should be expedited. The increase of the salaries of the bungalow watchmen at Wandiwash and Arni, proposed in paragraph 54 of the President's letter, is approved with effect from the dates mentioned therein.

(4) *Grant IV.*—The provision for printing work done at the Government Press will be reduced from Rs. 450 to Rs. 410, the actuals of 1890–91, and the allotment of Rs. 350 made for payment of pensions at the Presidency will be struck out, as it is included in the provision of Rs. 2,650 made under controlling establishments, in accordance with G.O., dated 7th December 1891, No. 3059 L. The application for the entertainment of an additional clerk in the Chittoor Taluk Board's office, promised in paragraph 59 of the President's letter, is awaited.

6. *Reserve and Balance.*—The reserve, calculated at 10 per cent. of the receipts excluding those of endowed institutions, should be Rs. 38,130, but, for want of funds, only Rs. 7,750 are provided—Rs. 3,960 under the District Fund and Rs 3,790 under Taluk Funds. The budget, as revised by Government, closes with a balance of Rs. 11,800, which appertains wholly to endowed institutions and unions, leaving no balance available for general purposes.
