READ—the following paper :—

Office-note from the Examiner, Public Works Accounts, dated Madras, 16th March 1892, No. 394 S.A.

On regulating the pay of the three special class draughtsmen attached to the offices of the Superintending Engineers, I, II and V Circles, as directed in para. 3 of G.O., No. 527 W., dated 19th February 1892, it is found that all the men have drawn pay in excess of the rates now authorized, to the extent specified against each.

Names.	Date of reaching Rs. 100.	Date from which increment of Rs. 15 is admissible.	Date from which extra pay has been drawn.	Total excess pay to end of February 1892.

S. Arunachella Mudaliyar ..	1st January 1888 ..	1st January 1892 ..	1st January 1892, at Rs. 30 ..	30 0 0

2. Please state whether it is the intention of Government to recover the excess pay which was drawn under Government sanction (*vide* G.Os. quoted in the margin), and if not, whether the rates of pay specifically sanctioned for them may continue to be admitted.

G.O., No. 158 W., dated 17th Jan. 1891.

ORDER—dated 31st March 1892, No. 1044 W., Public Works.

It is observed that under G.O., No. 527 W., dated 19th February 1892, the special draughtsmen concerned will only be entitled to the sanctioned increments, four and eight years respectively, after attaining the maximum pay of Rs. 100, *i.e.*, after nine and thirteen years' service in the grade. This places the men already in the grade at a considerable disadvantage as compared with future nominees who will begin on Rs. 100, and draw Rs. 115 and Rs. 130 after four and eight years respectively.

2. His Excellency the Governor in Council is accordingly pleased to modify G.O., No. 527 W., dated 19th February 1892, by the substitution of the words as *special draughtsmen* for "on Rs. 100 per mensem" in the third line, and in the same *post* for "on Rs. 100" in the fourth line of para. 2, and the addition of the words *from the 1st March 1892*, at the end of para. 3.

3. The following statement shows the effect of these orders upon the men now in office:—

Circle.	Name.	Date of appointment.	Sanctioned pay.
I Circle	Lakshmi Naidu	1st January 1883	Rs. 130
II "	Mr. Fletcher	1st March 1884	130
III "	Mr. Rozario	14th December 1882	130
IV "	Kistnasawmy Mudaliyar	1st May 1883	130
V "	Arunachella Mudaliyar	13th December 1882	130
VI "	Seshagiri Row	13th May 1891	100 and Rs. 115 from 1st June 1895.
Consulting Architect	Murugesu Mudaliyar	1st April 1888	100 and Rs. 115 from 1st April 1892.

4. These orders will have effect from the 1st March 1892, but no refund will be demanded and no extra pay given, on account of differences, one way or the other, between the salaries drawn under the present orders and those already drawn under former orders, general or special, up to 29th February 1892.

Special Draughtsmen

Ordering certain modifications in the

in the Public Works Department.

C. No. 2907

W

The order has been
drafted in accordance
with the note for orders.
but G.O. 527 W of 19 July 92.
will apparently require
modification in one
further particular. Under
para 1 of the order the
pay of all Special draughts-
men in the 80-100 grade
will be affected, but
the intention is that only
the Six Circle draughts-
men & the C.A. Special
draughtsmen shall benefit.
In addition to these, there
are draughtsmen in the
80-100 grade in this
office, and one in the
regulation office. The
latter man for some
reason, is shown on the
General Establishment,
& he draws the pay
for the work of a
draughtsman, and is
likely to claim any ad-
vantage which may be
granted on his class.

L.S.

Let the order is in
drafted in the
y. the man in the
E. H. and E. J. Office
can be finally carried
the letter and all
costs cannot claim
to receipt of the
order as the
but that claim

OR ORDERS.

I do not think it would be right to compel a refund of pay already drawn by the men named in accordance with special orders passed before the issue of G.O. No. 5274 of 19th February 92.

2. I am sorry however that in one point I overlooked the effect which the latter order would have upon the position of men who have been employed as "special draftsmen" for some years, and as I am not sure

whether the Hon. Member
himself intended this
effect, I think it as
well to bring the
matter forward again.

3. I intended to propose
that the men already
in employment should
be entitled to the first
increment of \$15 after
four years' employment
as special draftsmen,
and the second after
eight years; but the
~~order~~^{order} as passed only
gives the increments
after four and eight
years on the present
maximum of \$100, i.e.
after nine and thir-
teen years in the grade.
4. This places the men
already in the grade
at a considerable
disadvantage as com-
pared with future
nominees who will
begin on \$100, and
draw \$115 & \$130 after

4. These orders will
have effect from the
1st March 1892; but
no refund will be
demanded and no
extra pay given, on
account of differences,
one way or the other,
between the salaries
drawn under the
present orders, and
those already drawn
under former orders,
general or special,
up to 29th Feb 1892.
