Lt Col: R. R. E. Drake-Brockman R.E.,
Superintending Engineer,
Fourth Circle.

To

The Chief Engineer,
P. W. Department.

Sir,

I have the honor to request that the Government of India may be moved to include in the schedule of localities for which special travelling allowances are allowable all the mountain ranges and high lands connected with the Nilgiri Hills such as those at the head waters of the Bhavani and the Southern range of the Choondahs. The difficulty of travelling to and in these parts is as great and even greater than in merely proceeding to the Nilgiris by the beaten tracts, to say nothing of their unhealthiness and

and the extra expenses on the score of
coolies and servants involved thereby.

As this matter is of importance in
connection with the investigation of the
Moothikulam project now under investi-
-gation for improving the supply of the
Noyel River. I would request that
an early reference be made on the matter
to the Government of India.

I have the honor to be,

Sir,

Your most obedient servant,

Predram Kachumal, Lt Col: P.E.,
Superintending Engineer IV Circle.
