GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

5th December 1881, No. 395.

Civil Engineering College.

Read the following paper :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated 28th November 1881, No. 5171 [Current No. 512].

Under paragraph 172 (35) of the new Public Works Code, Apprentice Overseers are to have free quarters.

2. In his letter recorded in G.O., Public Works Department, No. 858 W., dated 29th March 1881, Major Traill raised the question, and in the order quoted it was decided that the Educational Department should bear the charge in compensation if no quarters are assigned. This order was communicated in Educational, No. 102, dated the 11th April 1881.

3. The Principal of the Civil Engineering College in the letter attached points out that it is desirable to fix the amount of compensation, and he names Rs. 17-8-0 per mensem. I have the honor to recommend that Rs. 17-8-0 be the sum allowed without variation as it appears to me to be a reasonable one.

ORDER THEREON, 5th December 1881, No. 395.

Approved.

OFFICE NOTE No. 311/A

To W.

1081/A

In the salary bill of
No. 1 Periyar Division for January 1892,
compensation in lieu of quarters at
Rs 17-8-0 per mensem is claimed on
behalf of Private Brand, Apprentice
Overseer attached to the division for
practical training under P. W. Code
para 103.

2. The Government of India
P. W. Code Volume I Chapter II
para 31 (equally with the Madras
P. W. Code) allows the grant of
free quarters to Military Apprentice
Overseers, but no mention is made in
the former as to whether, and at what
rates compensation, in lieu, is admissible.

3. There is no trace in this office
of the original ruling on which Madras
P. W. Code para 103 was based, but
probably it was framed on a ruling
in

in the Civil (Educational) Department,
to which the pay of these Apprentice
Overseers was debited prior to March
1882.

4. From the fact that mention has
been made in the Government of India
P. W. Code as to compensation, in lieu
of quarters, being admissible, it would
appear that the intention was that
Apprentice Overseers should be provided
with free quarters either by erection,
purchase or hire as in the case of
Hospital Assistants in Military Employ
vide P. W. & Code Appendix C Section II B
item 10.

5. I would therefore suggest that
the question may be referred to the
Government of India for orders.

6. But as Staff Sergeants and
Non-Commissioned Officers and men
attached to Military Departments are
entitled to compensation in lieu of
quarters at Rs 15 per mensem and it is
a question whether similar officers employed
in the P. W. Department as Apprentice
Overseers should be allowed a higher
rate (viz: Rs 17-8-0).

OFFICE NOTE.

From

To

Your office note No 311

SA dated 29.2.92.

2. The original ruling on
which Madras Code para
103 was based, is G.O. dated
5th Dec 1881 No 395 Educational
(Copy enclosed). Please say,
after perusing this order,
whether you still consider
a reference to the Govt of
India necessary. The question
as to the amount of com-
pensation in lieu of quarters
to be granted to military
apprentice overseers
appears to be one within
the powers of this Govt,
and if you agree, the G.O.
can be quoted as authority
for the grant after the
introduction of the Govt of
India Code.

3. It would be out of the
question to provide quarters
by purchase or construction

for the brief period
of a soldier's apprenticeship
during which he is liable
to be moved from place
to place, and it is seldom
practicable to provide
quarters by hire at
mofussil stations.
