READ—the following paper :—

G.O., dated 18th March 1892, No. 516, Judicial.

Read—the following paper :—

From the Inspector-General of Jails, dated 14th March 1892, No. 86.

Referring to G.O., dated 20th February 1892, R. No. 184, Judicial Department, I have the honour to request that, if the Government sees no objection, the item No. 42 shown in class A works on pages 6, 7 of the Public Works budget estimate may be altered by substituting for the "alterations and additions to the entrance gate of the Central Jail, Vellore," which was sanctioned in G.O., dated 18th November 1891, No. 3091 W., the construction of a ward with out-houses for civil debtors, the estimate for which was sanctioned in G.O., dated 1st February 1892, No. 270 W., communicated by Judicial G.O., dated 23rd February 1892, No. 337.

2. The Superintendent, Central Jail, Vellore, is of opinion, and I agree with him, that the provision of a proper ward for civil debtors is a more urgent matter than the proposed improvement of the main gate, and there are not likely to be funds for both this year (1892-93).

3. The civil debtors' ward is estimated to cost Rs. 6,280 against Rs. 8,300 provided for the alterations in the main gate. The substitution of the former item for the latter will thus set free Rs. 2,020, money which is urgently needed for a most pressing work at the Penitentiary, an estimate for which is submitted in my letter of this date, No. 87.

Order—dated 18th March 1892, No. 516, Judicial.

The Inspector-General's proposal is approved.

ORDER—dated 4th April 1892, No. 1093 W., Public Works.

Communicated to the Superintending Engineer, IV Circle, for information and guidance. The requisite alteration will be made in the final issue of the budget for 1892-93. Meanwhile, the Superintending Engineer will, with reference to his endorsement No. 655 W., dated 15th December 1891, report the nature and amount of any expenditure that may have been incurred on the entrance gate.

4TH APRIL 1892, No. 1093 W., PUBLIC WORKS.

2. The allotment required for the work at the Penitentiary, referred to by the Inspector-General of Jails in para. 3 of his letter No. 86, dated 14th March 1892, was provided in G.O., No. 977 W., dated 24th March 1892.
