4TH JANUARY 1892, No. 10 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper :—

No. 3206 G.

Endorsement from the Government of India, Public Works Department (General).
[Grant of special increments to Sub-Overseers, 1st Grade, after long and meritorious service.]

The following is forwarded to the Local Governments, Administrations and officers noted on the margin, for information and guidance, with the remark that the ruling may be adopted at the discretion of other Local Governments.

The Governments of Madras and Bombay, Public Works Department, General and Railway Branches.
The Governments of the North-Western Provinces and Oudh and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Baluchistan.
The Director-General of Railways.

2. It may be remarked that the grant of special increments to Sub-Overseers, 1st grade, was recommended by the Government of Bengal on the ground that the means of acknowledging the services of deserving Lower Subordinates in Bengal were of too restricted a character. This is due to a superior class of men, namely, men who have qualified as Engineers at the Sibpur College being now available for the Upper Subordinate appointments of the Bengal list, in consequence of which promotions from the Lower Subordinate to the Upper Subordinate class are seldom or ever made in Bengal.

(By Order.)

CALCUTTA,
14th December 1891.

(Signed) G. H. D. WALKER,
Under-Secy. to the Govt. of India.

From the Government of India, Public Works Department, to the Secretary to the Government of Bengal, Public Works Department, dated 9th December 1891, No. 3148 G.

With reference to correspondence ending with your letter No. 3193 E., dated the 4th December 1891, relative to the grant of special increments to Sub-Overseers of the 1st grade after long and meritorious service, I am directed to state that the Government of India is pleased to accept the proposal of His Honour the Lieutenant-Governor that a special increment of Rs. 10 a month may be granted to Sub-Overseers, 1st grade, after not less than 20 years' service in the department, of which 15 years must be in the 1st grade; and a second special increment of Rs. 10 after a further service of 5 years.

This will not involve any modification in the existing power of granting two ordinary increments under Public Works Department Code, Volume I, Chapter I, para. 11.

2. I am to point out, however, that these special increments are not to be given merely on account of long service, but only on special recommendations to the Local Government in each case on account of exceptionally good service.

ORDER—dated 4th January 1892, No. 10 W., Public Works.

Communicated to officers of the Public Works Department for information.
The ruling will be adopted in this Presidency.
