PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

Memorandum from the Public Works Department dated 12th March 1892, N=1288 C, regarding leave to students of the Madras College of Engineering.

Order 31st March 1892 N=277

The Government does not concur with the Examiners view of the case. The Civil Service Regulations apply only to persons in the service of Government which these students are not. The order objected to is merely a regulation of the amount of the stipends and of the conditions under which they are drawn, matters which are entirely within the competence of Government to determine.
