SAW replied by
message to the President
addressed to C.W. He
has correctly described the
procedure now followed.
It has not always been
uniform, but the present
practice possesses the ad-
vantage of having one
office record and thus
available for ready reference.
All orders issued by the
Gov. though they may
affect the personal and
the public interests, of
officers. It will be an
immense convenience
to officers in the future if
they can find in any index
to which they may be
attached all orders
affecting their interests.

Again, it is usual
for junior officers to address
Gov. even in personal
matters through their
Suptg. Engrs. If the
S.E. cannot make up a
connected file of the
case thus brought before
him, he will be rather

and to deal with

The procedure implies
that copies of orders shall
be given to the officers con-
cerned, and they may do
what they please with them
but many officers would
be glad if the Divisional
or District office would
retain them of the personal
custody of the papers. I have
found that Chief Inspectors
seldom care to keep any
such orders themselves.
Knowing that they can be
had from the Secretariat
office at any time.

Yes - Copies of the
Order should be to
Ld - but should
not separate copies
to each office
concerned also -
It is usual to do
so -

I don't see why this
order should be on
Record in a P. Office -
It has nothing

I have dozens

No. 891 G.
GOVERNMENT OF INDIA.
PUBLIC WORKS DEPARTMENT.
GENERAL

Calcutta, the 17th March 1892.

Exemption of continuous service Royal Artillery and Engineer Officers from payment of interest on amounts paid to the Indian Military Service Family Pensions, under Clause 44, India Army Circulars, 1891.

The following is forwarded to the Local Governments, Administrations and Officers noted on the margin, in continuation of Public Works Department No. 1135 G., dated 30th April 1891, for communication to Officers of Royal Engineers who have elected for continuous service.

The Governments of Madras and Bombay, Public Works Department, General and Railway Branches.
The Governments of Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General for Central India, Rajputana, and Baluchistan.
The Accountant General, Public Works Department.
The Director General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Central Division, and Lucknow.
The Director General of Telegraphs.

By order,

C. M. M. M.

Under Secy. to the Govt. of India.

No. 1, Financial (Funds), dated 28th January 1892.
From—The Secy. of State for India (Viscount Cross),
To—The Government of India.

Indian Services.

I have considered in Council para. 12 of your Military letter No. 251, dated 23rd December 1891, submitting for my decision a claim by Major H. Clarke, R.E., to be exempted from the payment of interest on the amount paid by him to the Indian Military Service Family Pensions under the provisions of Clause 44, India Army Circulars, 1891.

2. A case similar to that of Major Clarke has occurred in this country, and no charge was made for interest on the amount paid, on the ground that interest is only chargeable if payment be made by instalments.

3. It is, however, manifest that payment of the lump sum must not be deferred in such cases. In Article 13 of the Regulations, interest is not chargeable on donations paid within one month from the date on which they become due, and I have decided that officers who elected to subscribe under these regulations between the 1st March and the 1st September 1891, shall be exempted from the charge for interest on sums paid within one month from the date of the receipt by them of the necessary information from the Fund Office as to the amount payable under the Regulations.

4. In accordance with this decision the claim of Major Clarke, R.E., to be exempted from the charge for interest may be admitted.

5. The decision is not to be applied to the case of officers who were eligible to subscribe on the 1st March 1891 and have not, up to the present date, availed themselves of the option of doing so, nor to officers who may hereafter elect for continuous service, and who do not exercise the option of subscribing within three months from the date of such election.
