No. 1160. Resolute

Resolution.

Submitted for the approval and sanction of Government in reference to para 2 of Government Order dated 16. March 1891 No 764 W. P. W.

2. The plan has been drawn up in consultation with the Board and provides all the room that is necessary now as well as for the addition of a further story, if eventually required.

3. As the Collector points out the present building cannot be evacuated until the old High Court building becomes available for temporary use.

Order thereon, 4 January 1892 No 27.

Since the issue of G.O. No 1524 dated 6. March 1891 in which plans and estimates for the construction of a new building for the Stamp & Stationary Office were called for, the proposal to sell the High Court Building to the Harbour Trust Board has been given up. It is possible that this structure might by taking a portion of the open space in front of it and constructing a new and ornamental front of a depth of 40 or 60 feet, so as to bring it forward into a line with the facades of the adjacent buildings, be converted into a commodious Stamp & Stationary Office, besides providing sufficient accommodation for the Offices of the Madras Town Deputy Collector and of the

the Presidency Port Office. Before passing final orders, therefore, on the plans and Estimates now submitted, the Government desires to have a report as to the capabilities of the old High Court building, with plans and Estimates showing how it could be utilized for the purposes set forth above.

2. It should also be reported what price the present Stamp & Stationary Office would fetch if sold.
