PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers—

From the Public Works Department dated 4th January 1892
No. 24 B. transferring copies of correspondence regarding the
repairs to the wall of the Volunteer Sergeant's Barracks
at Tellicherry for favor of necessary action being taken.

From the Chairman, Municipal Council, Tellicherry
dated 20th February 1892 No. 1078 requesting Government to
direct the Executive Engineer, West Coast Division to with-
draw that part of his letter to the Superintending En-
gineer wherein he indulges in unwarrantable language
against the Tellicherry Municipal Council.

Order dated 4th April 1892 No. 653 M. O. S.

The Government does not consider that the claim
against the Municipal Council can be established in a
civil court. It appears that the wall, the foundation of which
is admitted to have been weak, was built long before the
Municipality was constituted and there seems to be no proof
that

that the Municipal Council undermined this foundation.

The cost of repairing the wall in question should therefore be borne by the Public Works Department.

2. The Government observe that Mr. Joyce's use of the word "dishonest" was ill-advised, but it is apparent that he did not mean to apply it in its literal sense.
