READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 11th December 1891, Mis. No. 8801.

Mr. E. GIBSON.

Read—the following letter from J. A. CUMMING, Esq., Acting Head Assistant Collector, Nandyál, to the Collector of Kurnool, dated 20th November 1891, No. 965 :—

I have the honour to bring the following to your notice.

2. I am at present living in a temporary railway bungalow, but have no guarantee of tenure. If the Railway Company require the bungalow for any of their subordinates, I shall have to vacate. Such a contingency was very nearly happening a few days ago. The Southern Mahratta Railway Company intended to put the Assistant Traffic Manager into it, but I am told he declined, for which I have reason to be thankful.

3. There is no other house available. I therefore request you will instruct me what to do in case I am turned out. I also request you will represent this state of things to the higher authorities. Nothing has been heard about the Head Assistant Collector's house since 6th June 1891, when I learned that Government declined to purchase this same temporary bungalow.

4. I again enter my protest against the delay, which is a serious matter to the Head Assistant Collector, and request that the matter may be expedited in every possible way.

Endorsement by the Collector of Kurnool, dated 23rd November 1891, No. 5765.

Copy to Board of Revenue (Land Revenue) for information and favour of order.

Resolution—dated 11th December 1891, Mis. No. 8801.

Submitted for the early orders of Government.

2. In Board's Proceedings, dated 2nd January 1891, No. 7, the Board submitted a revised plan and estimate for a residence for the Head Assistant Collector, and Government transferred the papers to the Public Works Department in G.O., dated 16th March 1891, No. 1785. No action has apparently been taken in that department, presumably pending the settlement of a fresh design for the residences of a Sub-Collector and a Head Assistant Collector. As the design has since been finally approved in G.O., dated 7th November 1891, No. 2978 W., it is requested that the Public Works Department may be moved to issue the necessary orders for constructing, at an early date, a residence for the Head Assistant Collector of Nandyál.

3. In the event of the Head Assistant Collector having to vacate his present quarters, it will be necessary for him to find a temporary residence elsewhere. Several excellent bungalows were built for their engineers along the canal, which traverses the Head Assistant's division, by the late Madras Irrigation and Canal Company. The Collector is requested to report whether one of them could be occupied temporarily by the Head Assistant, or whether he could reside for a time in the forest bungalow at Nandyál.
