Sir,

1 Tabular statement

With reference to L.O. No. 2540 of 12.7.91 in which the increase of pay of Rs. 1 to the lascars in this station was disallowed on the ground that I had given no particulars of the increase of prices, I have the honor to state that the Tahasildar of Bezwada reports that the average price of rice which is the staple food of the Community was 13 seers to the rupee in 1886 prior to the construction of the railways, & that the average price this year prior to the recent rise in prices due to the heavy export was 11 seers per rupee. or an increase in

in price of 18 per cent. I beg to enclose
a statement drawn up by the Manager
of my office compiled from his private
accounts shewing the rise of prices
on various Commodities during the last
5 years. The actual price of rice
now is 8 seers to the rupee.

2 I beg to resubmit a proposition
statement for increasing the pay of
all the lascars stationed at
Bezwada by Rs 1 only. It is
not possible for these poor men
to live on their present pay &
to keep themselves decently clothed.
I sincerely trust Government will
be pleased to grant the local
allowance of Rs 1 asked for. Cooks
are not now procurable in Bezwada
for less than Annas 4-6 a day.
Their average earnings cannot be
less than Annas 6 a day, & I doubt
very much if the daily rate will
ever fall below the former figure.

I have the honor to be,
Sir,
Your most obedient servant
