To

The DIRECTOR-GENERAL of TELEGRAPHS in INDIA.

Sir,

In forwarding a copy of the Proceedings of this Government, No. 1230 W., dated 13th April 1892, I am directed to request that you will be good enough to consider the question of opening a telegraph office at the village of O. Siruvoyal in the Madura district.

2. It will be seen from the correspondence that a wealthy merchant of the village has agreed to the terms of the guarantee required by the local Superintendent of Telegraphs, and has further undertaken to provide a building rent free for the location of the office.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

I have the honor to inform you that the Director-General of Telegraphs is prepared to maintain a telegraph office at O. Siruvoyal working third class hours so long as you will guarantee the payment to the Telegraph Department of the difference between the share of that Department of the receipts for messages sent from O. Siruvoyal and Rs 300 per annum. The account to be made up on the 1st April and 1st October annually and each period of account to be considered complete in itself, that is to say the receipts if any in excess of Rs 150 for any one period will not be held as a set off against discrepancies in any other period.

2. If you are willing to agree to these terms you should address the Government of Madras as all such guarantees are negotiated through the local Government.

To

The Chief Secretary to Government
Madras.

Sir,

I humbly bring to your notice that I am one of the merchants carrying on an enormous trade with Penang, Singapore and other places, but am sorry to observe that several other merchants carrying on trade like myself with the above named places have long felt the want of a telegraph station at the village of O. Siruvyal which taken all in all would appear to be the most central point for the purpose.

2. With this object in view an application numerously signed by the merchants interested in the matter was sent up to the Government Telegraph Authorities and their reply was that if we are prepared to guarantee against any loss in the event of a telegraph station being opened then our request will be complied with. I again addressed them stating that I am fully prepared to guarantee the office as I have not the least doubt that the office if opened will prove not only profitable to the Telegraph Authorities, but also beneficial to the people at large. A copy of the reply received is herewith submitted for your information from which it will be seen that if I agree to the terms therein laid down I can address the Local Government. I am quite willing and prepared to abide by the terms and pray therefore that you will be

pleased to give your best and earliest Consideration to it with a view to seeing a Telegraph station opened in the place at the earliest opportunity and thus confer upon the public and upon the trading class in particular a boon for which they shall ever feel, as in duty bound, grateful.

Sir,

I have the honour to report on your foot note No. 746 dated 24 February last to Board Reference on Government Register No 388 of 1892 regarding the opening of a telegraph office at Tiruvayal

2. The petitioner R. M. S. T. Raman Chetty being absent in Madras, his undivided brother Chithambaram Chetty has given a statement before the Deputy Tahsildar of Tirupattur agreeing to the terms of guarantee contained in the telegraph Superintendent's letter. He further undertakes to let without rent a tiled building construct last year at a cost of Rupees 3000 within 20 yards of the telegraph line for locating the office

3. The brothers pay an income tax of Rupees 486. 7. 4 and their capital is estimated at Rupees 2,07,000 exclusive of that in Rangoon and Moulmein where they pay an aggregate income tax of Rupees 1285 15

The place is reported to have 124 Chetties paying incometax to the extent of Rupees 6152.

4. There is thus every prospect of the office proving a success.
