Order—dated 14th April 1892, No. 1236 W., Public Works.

The revised and budget estimates of revenue under Incorporated Local Funds for 1892–93, respectively, as shown in the statement annexed to the resolution of the Government of India recorded above have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1891–92 adopted in the preliminary budget amounted to Rs. 1,31,604 and this was subsequently reduced to Rs. 1,19,578. The reported expenditure up to the end of January showed, however, that an increase would be necessary, and the revised estimate was ultimately fixed at Rs. 1,70,000, the figure accepted by the Government of India. In G.O., No. 725 W., dated 4th March 1892, the grant for establishment was increased by Rs. 24,408, the excess being due principally to percentages for scrutiny of Local Fund estimates which had been under-estimated when the budget was framed. Application was also made in the Proceedings last quoted to the Local and Municipal Department for additional grants to cover expenditure in the North and South Arcot districts. Against the demand of Rs. 12,091 in the South Arcot district, Rs. 8,060 only were provided,* and the outlay incurred in the North Arcot district on roads undertaken as famine relief works is under orders † in the Financial Department to be considered as met by transfers from other heads in the Provincial and Local budgets, the exact amounts to be adjusted against Provincial funds being determined when the accounts of the year are closed.

* G.O., No. 1064 W., dated 31st March 1892.

† G.O., No. 1025 W., dated 30th March 1892.

3. The budget estimate of charges for 1892–93, as shown in the preliminary budget, amounted to Rs. 29,120. The Government of India having passed the estimate for Rs. 29,000, that sum has been adopted in the final budget, the necessary reductions being made in the grants for establishment and tools and plant and item No. 35 under repairs.

4. The revised estimate of expenditure for 1891–92 under Excluded Local Funds in the preliminary budget amounted to Rs. 29,973, but this was subsequently reduced to Rs. 18,187.

5. With reference to para. 4 of G.O., No. 338 W., dated 4th February 1892, the grant of Rs. 2,052 provided ‡ by the Registrar of the University of Madras for repairs to the Senate House has been included in the budget estimate for 1892–93.

‡ G.O., No. 644 W., dated 26th Feb. 1892.

6. With these remarks the final issue of the Incorporated and Excluded Local Fund budget estimates for 1892–93 will be printed and circulated to the officers concerned for information and guidance and 35 copies, as shown in the margin, will be forwarded to the Government of India.

From the Govt of India P.W. Dept No. 17 dated 18th March 1892.

The revised and budget estimates of revenue under Incorporated Local Funds for 1892-93 as shown in the statement annexed to the resolution of the Government of India recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1891-92 adopted in the preliminary

budget amounted to
Rs 131,604, and this was
subsequently reduced
to Rs 119,578. The reported
expenditure up to the end
of January showed,
however, that an increase
would be necessary,
and the revised estimate
was ultimately fixed
at Rs 170,000, the figure
sanctioned by the Govern-
ment of India in
G.O. 725 W dated 4th March
1892, the grant for
establishment was increased
by Rs 24,408, the excess
being due principally
to percentage charges
of local fund estimates
which had been underes-
timated when the budget
was framed. Application

P- 5

was also made in the
Proceedings last quoted
to the Local and —
Municipal Department
for additional grants
to cover expenditure in
the North and South
Arcot districts. Against
the demand of Rs 12,091
in the South Arcot
district, Rs 8060 only
were provided, and the
outlay incurred in the
North Arcot district on
road undertaken as —
Famine Relief works
is under orders in the
Financial Department
to be considered met
by transfers from other
heads in the Provincial
and Local budgets. The

each amounts to be adjusted against Provincial funds being determined when the accounts of the year are closed.

3. The budget estimate of charges for 1892-93 as shown in the preliminary budget amounted to Rs 29,120. The Government of India having passed the estimate for Rs 29,000 that sum has been adopted in the final budget, the necessary reductions being made in the grants for Establishment and Tools and Plant and item No 35 under Repairs.
