Camp Karipatti.

Thursday 7th April 1892

From

G. E. Manson Esq.,
Executive Engineer,
Salem Division.

To

The Superintending Engineer,
IV Circle.

Sir,

I have the honor to report that I am delayed here on my way to Kalinga Anicut owing to my camp equipage having been waylaid at midnight of 5th a mile from this place by a gang of twenty men. The two lascars, bandy man and my servant were thrashed and robbed of their money and clothes. No Government or other property has been stolen. There is a Police station house here and the matter was at once reported and the night spent in scouring the neighbouring villages.
yesterday

yesterday, also. The Superintendent of Police is here and three men have been arrested. As the decoits were disturbed, by the arrival of some fifty carts on their way home from Salem market they succeeded in carrying off nothing but the money and clothes. So there is little clue for conviction. The bandy man and servant, I am prepared to compensate. The lascars should in fairness have their losses made good, as they were incurred in the execution of their duty.

The losses are. Lascar Shaik Rasool

His turban, bundle of clothes
and money, Rs 1/4-

Total value Rs 5-4-0

Lascar Tippoo.

His turban & clothes & ^{Rs 12-6-8} money.

Total value Rs 3-4-6

The sums are small but they are great to the sufferers whose pay is only Rs 6 per month.

The Circumstance is exceptional
and

and as the lascars cannot obtain compensation from their assailants I request that Government will see fit to admit their claim.

The sum is trifling. The circumstance comes under the heading Office contingencies and they can be compensated from the fund allotted thereto.

I have the honor &c
Signed / G. E. Manson
