SUPERINTENDING ENGINEER'S OFFICE,

V Circle, Madras,

Chepak, 7 April 1892

From

Quint Coll D. McNeil Campbell & Co

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer

P. W. Department.

SIR,

12/11

Enclosures.

I have the honor to report that an outlay of Rs 278-4-5 has been incurred in repairing and touching up the old building of Teachers College at Saidapett.

The Examiner P.W. Accounts has taken objection to this outlay on the ground that it was a work which should have been executed by the Civil Department concerned.

In reply to a reference made the Executive Engineer Chengalpet Division explains that the repairs in question were carried out on the requisition of the Principal of the Agricultural College and on the consideration that without the repairs the appearance of the new Verandah round the
the

the high school old building (Estimate
Rs 3980 sanctioned in G.O. No. 462 S dated
16th March 1891 now completed) would have
been spoilt by the dirty appearance of
the old building.

Under the circumstances
stated above I request that sanction of
Government may be obtained under para
1316 of the P.W. code as a special case
authorizing the Examiners to pass the
outlay.

I have the honor to be
Sir

Your most obedient servant
