GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following paper:—

From A. T. ARUNDEL, Esq., Collector of Kistna, to the Superintending Engineer, II Circle, dated 24th March 1892, No. 2192.

In reply to your letter No. 3113 K.S., dated 18th March 1892, I have the honour to inform you that a rest-house will always be required by the Forest Department at Karempudi and by the Local Fund Boards if not by the Forest Department and that the old District Munsif's Court is well adapted to the purpose.

2. If the building can be utilized by all District officers on tour, I see no reason why it should not remain in your charge, but if your department will require exclusive possession for a Resident Engineer in charge of Mellavagu Project, it will probably be better for you to erect a separate building.

No. 38 K.S.

Copy forwarded to the Chief Engineer, Public Works Department, for information with reference to para. 2 of G.O., No. 639 W., dated 26th February 1892. If the Mellavagu tank project is sanctioned, a separate bungalow close to the works would be required.

(Signed) J. HANNAN,
Superintending Engineer, II Circle.

4th April 1892.

ORDER—dated 20th April 1892, No. 1255 W., Public Works.

The old District Munsif's court-house at Karempudi will be utilized as a rest-house for all District officers on tour, and will remain in charge of the Public Works Department.

2. The question of constructing a separate building as quarters for the officer in charge of the Mellavagu project will be considered when the execution of the work is sanctioned.
