NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should riably show the *sanctioned scale for the time being* not the strength of the actual (whether above or v sanctioned) establishment as it happens to stand e time. The "present scale" should be verified he examiner before the proposal is submitted to rnment for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," finan- value, not mean value, should be given.

3. The financial value should in the case of pro- ive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum *plus* two-thirds, or if the appointment is a ministerial one, *plus* three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{3}{4}$th fraction should be decreased by $\frac{1}{60}$th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

6 years = $\frac{3}{4} - \frac{1}{60} = \frac{44}{60}$
7 years = $\frac{3}{4} - \frac{2}{60} = \frac{43}{60}$
8 years = $\frac{3}{4} - \frac{3}{60} = \frac{42}{60}$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.

READ the following

From the Suptg: Engineer III circle No: 47 d/ 4th April 1892

From the Examiner of P. W. accounts No: 552-S.a. d/ 13th April 1892.

3 P.

The temporary Establishment proposed is sanctioned (But the our Suptg: Engineer will consider whether the services of the watchmen employed in guarding Famine tools cannot be dispensed with. The tools will probably now be all distributed to works, and on the close of Famine operations it is intended x that they shall be sent to the P. W. Stores, Madras, for custody.)

I would leave out all this, till the proposals are sanctioned. If they are it will be easy to get rid of the temp. est. & I don't think it probable that the tools will all be distributed to works ?

x Separate proposals on this point will be submitted in due course.

2. This sanction has been registered

registered as Provincial as
No: 6 W of 1892-93, and
