SIR,

I have the honor to bring to your notice, that a Gumastah on Rs. 12 per mensem was employed for the last 25 years in the Godavari Western Division, in supervising the collection of stone required for reserve stock, and in despatching the same to works - his pay was added to the cost of stone, like other incidental charges, and his services were dispensed with on the 25th January 1892, because the Examiner of P. W. Accts took objection in auditing the Divisional accounts for August 1891, and stated that the stock, as distinguished from stock manufacture, is not a work, and that para 935 of the Madras P. W. Code does not apply to the employment of a Gumastah, and that he

he should be charged to establish-
ment salaries, and that sanction
of Government should be obtained
to this being done.

2. The same objection was raised
in 1890, and the then Examiner passed
the salary of the Gumastah, on re-
presenting to him the nature and
duties of the appointment.

3. I request therefore that you will
be so good as to obtain the sanction
of Govt, authorising the Examiner to
audit the pay of the Gumastah from
the 1st August 1891 on the monthly
accounts of which he (the Examiner)
raised objection to the 25th January
1892, on which the Gumastah's services
were dispensed with.

I have the honor to be
Sir

Your most obed^t. serv^t.
