PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

*From the President, District Board, Ganjam dated 24
March 1892 No. 449.*

*At the meeting held in January last, the
District Board resolved to place at the disposal of the
Executive Engineer, Rushikulya Division, Rs. 200 for depay-
ing expenses necessary for letting water down the Rushi-
kulya canal to refill all tanks under it. For the
supply of good drinking water to the cattle and
people of surrounding villages, this arrangement is
preferable on the score of economy and promptitude
to the digging of temporary wells and pits in dried
up tanks. The Executive Engineer stated however that
he could not directly account to the Local Fund
Department for the expenditure incurred but would
do so through the Examiner of Public Works accounts
and suggested that the amount might be placed at
the disposal of the Public Works Department through*

the Accountant-General. This the Accountant-General has refused to do unless the sanction of Government in the Financial Department is obtained for transferring the execution of the work to the agency of the Public Works Department.

I have therefore the honor to request that early sanction may be accorded for transferring the execution of the work in question to the Public Works agency and for placing at the disposal of that Department Rs. 200 allotted by the District Board.

Copies of District Board resolution and Accountant-General's letter No. 764 of 12th instant are enclosed for reference.

Order dated 20 April 1892 No. 948 L. M.

The transfer of the work in question to the Public Works Department is sanctioned and the Accountant-General is requested to place the sum of Rs. 200 referred to at the disposal of that Department.

True extract,

A. Hutteroth

Sd/- Officer Secretary

To The President, District Board, Gangan.

Accountant-General.
