clear to me that Mr. Keffe,
being a temporary upper

The salary of Mr.
Keffe, temporary upper
subordinate, was fixed
at a rate which in-
cluded allowances,
and he is therefore not
entitled to any increase
of pay to cover house-
rent.

of India will be ad-
dressed in regard to
the case of the lower
subordinates, clerks

the project.

(H.E. No 1321 W d/26 April)

To

The Secretary to the
Govt of India, P. W. D.

Soft W. P. Project
Ex. P. W. Accts.

Sir,

With reference to
your letter No 823 dated
5th March 1891, approving
a scale of rents for
certain Government
quarters at the Perigar
irrigation works, I am
directed to request
that all lower
subordinates clerks
firemen and
artificers may be
exempted from
payment ^{of rent} for the tem-
porary quarters provided
for them.

2. It will be seen
from the Proceedings
of this Government No

2148 W dated 9th Aug:
1889, copy of which was
forwarded with my
letter No 396 W dated
12th February 1891, that
this Government
accepted the proposal
of the Suptg Engineer
that no rent should be
charged to men of the
classes above named,
and the Examiner
now requires the definite
sanction of the Govt
of India to the arrange-
ment. In the statement
approved in your letter
of the 5th March 1891
above quoted, a
scale of rent is entered
for these subordinates
with a corresponding
increase of pay to
cover the rent charge,

1320-2

but as this involves
a considerable amount
of account work, the
Government considers
it would be simpler
to waive the recovery
of rent altogether.

3. It is observed
that the quarters
occupied by these
men are mere temporary
structures of mud and
grass, and will be
destroyed when the
works are completed,
so that there is no
objection in keeping
capital and revenue
accounts of them.
