28TH APRIL 1892, No. 1345 W., PUBLIC WORKS.

1345/1

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 7th April 1892, No. 58 G.N.

I have the honour to submit, herewith, an estimate, amounting to Rs. 8,700, received from the President, District Board, Ganjam, for constructing a road from 20th mile-stone on Malapeta road to Gopálpur, and to request that you will be so good as to obtain the sanction of Government to the same.

2. A lump sum of Rs. 1,720 is provided in the estimate for masonry works and no details or plans are furnished for it at present, as the work is proposed to be started as soon as possible as a famine relief work.

3. The estimate has been scrutinized by this office.

4. The Proceedings (dated the 26th March 1892) of the District Board, which accompanied the estimate, is herewith submitted.

ORDER—dated 28th April 1892, No. 1345 W., Public Works.

The estimate of Rs. 8,700 for constructing a road from the 20th mile-stone on the Malapeta road to Gopálpur in the Ganjam district includes a lump sum provision of Rs. 1,720 for masonry works, the plans and estimates for which are promised hereafter. The amount will meanwhile be excluded and the estimate reduced to Rs. 6,980. The estimate, as thus reduced, is sanctioned as suggested by the District Board.

2. This sanction has been registered as Local No. 6 W. of 1892–93.

Current No. 4045
Letter No. 584 N
Dated 8th April 1892
From the Supdg Engineer I Circle.

1345/6

TECHNICAL NOTE.

The Supdg Engineer I Circle, submits for the sanction of Govt. an estimate amounting to Rs 8,700 for constructing a road from 20th mile stone on Nowpada Malapeta road to Gopalpur in the Ganjam Dist.

The length of the proposed road is 3 miles 4 furlongs & 310 feet.

The road is proposed to be raised throughout with a top width of 18 feet and with side slopes 1½ to 1, metalled to a width of 12 feet with 4 inches of stone metal & blinded with 3" of gravel to a width of 15 feet. The side slopes are to be turfed.

A lump sum provision of Rs 1,720 is made in the estimate for masonry works for which no details or plans are furnished, they comprise of six small culverts & road tunnels varying from 2 to 6 feet in

Spans.

In para 4 of the Proceedings of the Dist. Board, it is requested that sanction may be accorded for the items of road work less masonry works, as no details for the latter are furnished but as the masonry works are for small culverts crossing over minor streams the estimate may be sanctioned for the full amount.

Provision is made for turfing only one slope of the embankment which appears to be an error in the estimate; if both the slopes are turfed the excess will be Rs 249 adding contingencies & petty supervision will increase the estimate from Rs 8700 to 8960.

The rates are fair.

The cost of the road with masonry works will be about Rs 2,450 per mile.

The estimate is countersigned by the President & approved by the Dist. Board, Ganjam.

The work is proposed to be started as a relief work.

No survey showing the proposed line of road with levels &c. accompany the estimate.

14.IV.92

Local funds have to pay for the scrutiny of their plans & estimates and it is hardly right that they should pay on a lump sum of Rs 1720, the works provided for by which cannot be scrutinised
