2ND MAY 1892, No. 1368 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 20th April 1892, No. 72 V.Z.

With reference to G.O., No. 2222 W., dated the 17th August 1891, I have the honour to submit, herewith, copy of a letter No. 122, dated the 15th April 1892, received from the Executive Engineer, Vizagapatam division, and to request that, under the circumstances therein stated, sanction of Government may be obtained for the sale of the other half of the building referred to. The Collector of the Vizagapatam district also has recommended the sale of the said portion of the building.

ENCLOSURE.

From H. A. MOSS, Esq., Officiating Executive Engineer, Vizagapatam division, to the Superintending Engineer, I Circle, dated Yellamanchili, 15th April 1892, No. 122.

I have the honour to bring to your notice that the police station-house at Pudimadaka, which was recently sold by auction by the Revenue Department under G.O., No. 2222 W., dated 17th August 1891, to the Rev. H. F. Laflamme, comprises only half of the building which is generally known as such. The other half is the old Sea Custom office which has long been disused. It is divided from the police station by a simple partition wall. A sketch is herewith enclosed for your perusal. The whole building was built of brick in chunam. The police station was not built with mud walls as shown in the register of public buildings.

2. Mr. Laflamme wishes to have the whole building, but, as the Custom office is down in our list as a separate building, it will be necessary to obtain separate sanction for the sale.

3. I request therefore that sanction may be obtained to dispose of the Sea Custom office as well. There is no further need of it and I do not think any other department will want it, as no use could be found for the station-house, which forms the other half of the same building and which is in better repair.

ORDER—dated 2nd May 1892, No. 1368 W., Public Works.

The sale of the remaining portion of the building is sanctioned as proposed.
