GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From W. B. DEWINTON, Esq., Superintendent of Works, No. I Periyár Project division, to the Chief Engineer, Public Works Department, dated Periyár, 30th March 1892, No. 291 C.E.

I have the honour to forward, herewith, a petition from the messengers and lascars of this division praying that the concessions which have been given to the remainder of the staff employed on this project with regard to the expenses of journeys between Periyár and Madura at the beginning and end of each working season and embodied in Madras Public Works Department Code, appendix N, para. 25 A. (S.O. No. 761 of 27th June 1889), may be extended to them.

2. I consider the petition a very reasonable one, as I am sure it cannot have been intended to exclude the poorest of the staff from the benefit of the rule and so make the journey to and fro an annual burden to them, and I beg that you will be good enough to address Government on the subject.

3. The cart hire from Periyár to Ammayanáyakanúr ranges from Rs. 7 to Rs 8 and each messenger or lascar requires one cart for himself and family. The third-class railway fare from Ammayanáyakanúr to Madura is 5 annas. The pay of messengers is Rs. 10 and of lascars Rs. 9 per mensem. I recommend that their actual expenses be granted to them for journeys between Periyár, Kodaikánal and Madura subject to a maximum limit of a month's pay in each case.

---

Office-note from the Examiner, Public Works Accounts, dated 25th April 1892 No. 595 S.A.

As no mention is made of inferior servants in the Government of India letter communicated with G.O., No. 860 W., dated 22nd March 1889, sanction of that Government is necessary to the admission of the charge; but I may say that I fully concur in the opinion expressed in para. 2 of the Superintendent's letter.

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

With reference to your letter No. 693 G., dated 9th March 1889, I am directed to forward the accompanying copy of the Proceedings of this Government No. 1369 W., dated 2nd May 1892, and to request that, in the circumstances therein stated, sanction may be accorded to the grant of actual expenses, not exceeding a month's pay in each case, to messengers and lascars attached to the Periyár Project for journeys between Periyár, Kodaikánal and Madura at the beginning and end of each working season.

2. I am to add that it was only by an oversight that messengers and lascars were not specifically mentioned in para. 4 of Colonel Mead's letter No. 3607 W. of the 14th November 1888, on which the orders contained in your letter quoted above were based.

The first part is passed but when they take out the supplies, a part for messengers & lascars.

Yes; but it will be the business of the Superintendent of Works as controlling officer to see that the charge is limited to bona fide actual expenses. As a part of which the messengers & lascars with them — Rs 2.5

There will I think be very little doubt that the claim brought forward on behalf of the lascars and messengers is reasonable.

2. The orders quoted by the Examiner (No 860 W of 22.1.89) were based on our letter No 3607 W of 14.11.88 which again adopted the recommendations made by myself as Supdg Engineer in charge of the Project in letter No 1073 P.L. of 29.10.88, and I cannot account for the omission of the peons and lascars from the scale then

Most Honored Sir

We, Messengers under Executive Engr I Prvgs Division, most humbly beg to bring the following few lines to your honors kind consideration.

1. Government in article 25A of Appendix N to P.W.D. code, has granted Special concessions for Travelling allowances to the Staff employed on the Project works considering the difficulties and heavy expenses incurred for Journeys between Prvgs and Madeira at the beginning & end of the Working Season, for officers, Subordinates and their families Here we humbly beg that either owing to our misfortunes or misapprehension on the part of the officers that rule our destinies by not marking out the meaning

reasonable one, as I am sure it cannot have been intended to exclude the poorest of the staff from

meaning of the clause, these
concessions have been denied
to these poor messengers and
lascars. The Standing order No 761
dated 27-6-89, clearly lays
out that these concessions
are granted to the Staff employed
on the Priyar Project, Though
we know right or wrong, we
venture to point out to your
honour that by the word Staff,
we the members of the petty
Establishment are also included.
When members that are paid
4 times or more of our Salaries,
are granted Special concessions
of Travelling allowances, why
they are denied to us, we fail to
see.

3. We all have as well families
heavy luggages to take to
plains on the score of H & 2nd
we are compelled to incur
heavy debts to meet our
Travelling Expenses as the
ordinary rate of T. A paid for
the whole Journey could scarcely
meet the expenses for one stage
under

4 Under these circumstances
we most humbly and respectfully
beg to grant us at least ½ of
the actual expenses for each
Journey granted to a Superior
Subordinate. If this be not
in your power we humbly
request you to represent our
grievances to the Chief Engineer
by forwarding this application
supported with your strong
recommendation

For this act of charity
and benevolence, we shall as in
duty bound ever pray.

Yours faithfully
