PROCEEDINGS OF THE MADRAS GOVERNMENT.

The following Proceedings of the Board of Revenue (Land Revenue) dated 9th April 1892 No. 2179 Rmo. Read: The following:—

1378/1

(1) Endorsement of the Government, Revenue Department, dated 16th December 1891 No. 6386 on Proceedings of the Government, Public Works Department, dated 4th Decr. 1891 No. 3259-W; and the following Reference thereon dated 7th January 1892:—

Forwarded to the Collector of Tanjore for early report.

(2) The following letter from A. M. Winterbotham Esquire Ag Collector of Tanjore dated 24th March 1892 No. 3C.

Adverting to the Board's reference dated 7th Jany. 1892 on Government Register No. 3330 of 1891 Calling for report on the delay in handing over to the P.W.D. the upstair portion of the Kumbakonam Taluk Office, I have the honor to explain that the Tahsildar's office was located in the Eastern half of the upper story, and that the Western half had been recently repaired and

hereinafter referred to

a part in order with a view to its being occupied by the Sub Collector. The D.P.W. Sub division Officer, Kumbakonam, inspected the Tahsildar's office on the 2nd July 1890 and wrote to the Tahsildar on the 3rd July that as the roof of his portion of the building was in a dangerous condition that portion should be vacated at once and the office removed to the two rooms prepared for the Sub Collector. The Tahsildar vacated the Eastern half of the upper storey on 19th July 1890 and removed his office to the two rooms mentioned above, and also communicated the fact to the Sub divisional officer on the same date.

2. The estimate for the repair of the roof was Sanctioned in June 1891. On the 16th October 1890 the P.W. Overseer wrote to the Tahsildar to ask when he could hand over his office in order that the roof might be repaired. This was the first intimation given that the whole building must be completely vacated. It had been supposed till then that the ground floor, and the western upper rooms might be occupied while the work was in progress. Arrangements were at once made for completely vacating the whole building, and before the end of November the office was removed to the old building occupied by the District Munsiff's Court, Kumbakonam. (378/2

3. Thus the time allowed for vacating the building was only one month from receipt of notice and under the circumstances above set forth it does not appear that the Revenue Department was at all to blame.

Resolution

Submitted to Government with reference to its Endorsement dated 16th December 1891, No. 6386 on the G.O. in the P.W.D. dated 4th December 1891 No. 3259.

2. From the Collector's report it appears that the building was vacated "As soon after date of notice, as could be
