From Major A.W. Smart R.E. ¹³⁸⁵
Executive Engineer North Arcot

To The Superintending Engineer
IV Circle.

Sir,

In continuation of this office letter No 875 of the 22nd February 1892, I have the honor to request that you will obtain sanction of Government for the continued employment during the current year of the temporary Cashier sanctioned in G.O. No 2874A of 28th October 1891. The necessity for this is obvious from the fact that works in the Pongamur Zemindari would throw additional work on this division in the same way as those of the late Kalasti sub-division had done.

No. 1883 of 9-4-92

Memo. 1385

From S.E. IV Circle No. 63 of 7-4-92

In his letter No. 4 S.E. dated 2^d April '92, the Executive Engineer North Arcot Division applies for the continuance during the year 1892-93, of the temporary cashier sanctioned for his Division. He bases the application on the ground that Relief Works in the Pongannur zemindary will cause additional work, but as these works are not likely to last the whole year, this reason will not suffice as regards the proposed period of employment. The application should

therefore be revised
or additional
reasons adduced
in support of the
proposal.
