Read Endorsement from Government Revenue Department
dated 8th April 1892. 1891.

Resolution

In G.O. dated 28th April 1891, No
378, Revenue, it was ordered that no
further action should be taken
in connection with the proposed
loan to the Zemindar of Kalahasti
under the Land Improvement
Loans Act, and it was further
ordered that operations in the
Zemindar

the works as were considered by
Board to be absolutely necessary
for the relief of the distressed
population. All expenditure incurred
up to the date of the order was
to be debited to famine relief
and it is presumed that all
work done since under the res-
trictions laid down by Government
which have been scrupulously ob-
served must be similarly
debited.

When the whole expenditure is
debttable to famine, no objection
would, it is considered, be gained
by attempting to show what
proportion of the expenditure
represents the value of the work
done and

what proportion of it is due
to the general inefficiency of
famine labor.
