Letter from the Executive Engineer Bellary
Division No 377 dated 26th April 1892 to the
Suptg. Engineer, III Circle, Bellary.

With reference to your endorsement No 91
dated 6th April 1892, on G. O. No 1101W dated
4th Idem. I have the honor to inform you
that the Lightning conductor obtained from
Messrs Richardson & Co. as a whole
was not of European Manufacture. The copper
tape and rods were made in Europe of course
but I should describe them as raw materials.
The finials, attachments etc were made up
in Bombay.
