From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezvada, 5th May 1890, No. 50 Gl.

The clerks marked * are not exclusively employed in assisting accountants; the others are.

As regards the special need for additional temporary clerks in each division to assist the accountant, I beg to suggest that the Examiner be consulted, as he probably knows the amount of reduction in accounts work now under contemplation, and also from the constant inspections of his deputies of the several divisions, whether the assistance referred to above is sufficient or not. Pending your reference to the Examiner these posts have been duly provided for in the statement herewith.

3. With reference to para. 3 of your memo., I beg to state that an additional draftsman, 2nd class, Kistna Eastern division, was first sanctioned for 6 months in G.O., No. 1804 W. of the 22nd July 1881, to clear off arrears and to cope with current work. As the drawing work in the Eastern division was always heavy, sanction of Government was obtained in subsequent years to his continued employment. The same reasons apply for his entertainment during the current year. I am personally aware that the work in the Draftsmen branch in this office is much in arrears now and has been since I took charge of the circle.

4. As directed in para. 4 of your memo., the temporary clerk for the Northern Sub-division, Kistna Eastern division, has been omitted in the enclosed statement, in view of a new Sub-division being sanctioned as requested in my letter No. 283 K.S., dated 28th April 1890.

5. As regards cashier for the Nellore division, there are not many works in the division carried out departmentally, but considering the heaviness of the work of the division since the amalgamation of the Sangam project division with it, and pending the submission of my proposal to make it a first-class division, I request that the cashier be sanctioned.

6. I request that sanction may be accorded for the temporary establishment as now applied for in the statement, as also for the following appointments struck out from it, for the periods noted against them:—

KISTNA EASTERN DIVISION.

- 1 Clerk on Rs. 15 for the Northern Sub-division to end of May 1890.
Press office establishment for March 1890.

Sir,

*Vis. 136268

I have the honor to bring
to your notice that in the state-
ment of Temporary Establishment
required for the 2nd Circle during 1892-93
now before Government, provision
for the following draftsmen for the
Quadrant Division was made

1. Second class on Rs 35.

1. Third class on Rs 30.

2. On the representation of
Mr Todd, the former Executive
Engineer that the third class
man was quite useless, his
services

Services were dispensed with in September last.

3. The present Executive Engineer having represented that he finds the other man also to be of very little use, and that no efficient draftsman could be procured for a temporary post on so small a salary, proposed the appointment of only one draftsman of the 1st class. I have, therefore, in anticipation of your sanction appointed one on Rs 50 per mensem from the 7th April 1892 forenoon -

4. I request the favor of your obtaining the sanction of government for the following provision instead of that mentioned in paras for this official year.

1 Draftsman, 1st class on Rs 50

5. I beg also to request

that sanction may be accorded to S. Ramaswamy Naidu, the former draftsman being paid at the rate of Rs 15 per mensem - (Rs 65 the previous provision minus Rs 50 the proposed provision) from the forenoon of the 7th April 1892 to the 30th April 1892, as his services have been retained during the above period for instructing the new man.
