GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

G.O., dated 9th May 1892, Mis. No. 1067 L., Local and Municipal.

Read—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 13th April 1892, No. 545 S.A.

In accordance with the orders communicated with G.O., No. 2576 W., dated 24th September 1891, in supersession of the arrangements ordered in G.O., No. 2106 W., dated 6th August 1891, and directing that "provision should be made in the Taluk Board's budget for the whole cost" of the Public Works hospital at Dowlaishweram, the Executive Engineer, Godavari Eastern division, was instructed by this office to write back the whole cost of the establishment to date to debit of Civil Department.

2. The Accountant-General, Madras, however, objects and states that the orders in the superseded Government Order should continue in force until a proposition statement is sanctioned by Government.

3. I beg, therefore, to inquire whether this is the intention and whether the original order is to hold good and the later order to be held in abeyance.

No. 2043 C.

Referred to the Local and Municipal Department with reference to the orders in that department No. 2210 L., dated 14th September 1891.

18th April 1892.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Secretary to Government, P.W.D.

Order—dated 9th May 1892, Mis. No. 1067 L., Local and Municipal.

The arrangements approved in G.Os., dated 5th March 1891, No. 474 L., and 6th August 1891, No. 2106 W., will continue in force until G.O., dated 29th March 1892, No. 786 L., sanctioning the entertainment of the establishment required for the hospital, commenced to operate.

G.O., dated 29th March 1892, Mis. No. 786 L., Local and Municipal.

Read—the following papers:—

From the President, Taluk Board, Rajahmundry, to the President, District Board, Godavari, dated 14th December 1891, No. 136.

In reply to your No. 269 of 12th November 1891, I have the honour to submit, herewith, the proposition statement of the Dowlaishweram hospital establishment as requested therein.

Endorsement of the President, District Board, Godavari, dated 12th January 1892, No. 4.

Submitted to the Chief Secretary to Government, Local and Municipal Department.

2. The entries in columns under "Present scale" represent the sanctioned establishment when the institution was under the Public Works Department proper, and, as such, they cannot be verified by the Treasury Deputy Collector as District Auditor of Local Fund accounts.

From the Surgeon-General with the Government of Madras, dated 4th March 1892, No. 205.

With reference to your endorsement No. 62, dated the 27th January last (herewith returned), forwarding, for my remarks, the proposals of the District Board, Godavari, for the entertainment of an establishment for the Dowlaishweram hospital, I have the honour to state that the proposition statement submitted with the correspondence is incorrect in some instances as will be seen from the enclosed copy of a letter from the District Surgeon, Rajahmundry.

2. I approve of the proposals with the necessary corrections pointed out by the District Surgeon.

ENCLOSURE.

From the District Medical and Sanitary officer, Godavari district, to the Secretary to the Surgeon-General with the Government of Madras, dated 13th February 1892, No. 13.

With reference to your memo No. 567 of 29th ultimo, I have the honour to inform you that while under the Public Works Department the Hospital Assistant attached to the Dowlaishweram dispensary received, in addition to his charge allowance of Rs. 15, a special personal allowance of Rs. 7 in lieu of travelling batta. In return for this sum he used to visit Chettipett and other Public Works Department stations once a week or so. The insertion of this allowance is an error.

"The lascar" also is a mistake and should be waterman on Rs. 5.

The proposition statement therefore should read—

						Pay.
						RS.
Third-class Hospital Assistant	...	...	...	...	...	...
One compounder	...	...	...	...	...	25
One waterman	...	...	...	...	...	9
One toty	...	...	...	...	...	5
One midwife	...	...	...	...	...	4
						† 10

* Plus Rs. 15 charge allowance.

† Plus allowance of Rs. 1 and As. 8 for difficult and natural labor, respectively, if she attends over 10 cases a month.

Order—dated 29th March 1892, Mis. No. 786 L., Local and Municipal.

The entertainment of the establishment specified in the District Medical officer's letter forwarded by the Surgeon-General with his letter read above is sanctioned. The rate of charge allowance (Rs. 15) is, however, too high, as Dowlaishweram is not an unhealthy locality and will be reduced to Rs. 10 on the transfer or removal of the present incumbent. The list in G.O., dated 14th November 1881, No. 1520, Public, should be revised accordingly.

2. The attention of the President, Taluk Board, is drawn to the errors in the proposition statement pointed out by the District Medical officer.
