PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

THE HON. MR. H. W. BLISS.

MR. E. GIBSON.

147/1
READ—the following letter from H. M. WINTERBOTHAM, Esq., Acting Collector of Tanjore, to the Secretary to the Commissioners of Land Revenue, dated Shiyali, 20th April 1892, No. 12-C. :—

With reference to the Board's Proceedings, Land Revenue, dated 12th April 1892, Mis. No. 2286, calling upon me to fill up column 12 in the list of persons qualified by examination for the post of Deputy Collector in so far as they are personally known to me, I have the honour to report that I find very great difficulty in doing so, and I venture to ask the orders of the Board as to whether, if the Collector is to give a candid opinion, it is not expedient that the list should be treated as strictly confidential.

My acquaintance with the officials in this district dates only from July last, and as regards most of them it is necessarily very slight. In such circumstances remarks as to character and qualifications can only be offered with the greatest diffidence and are of small value; but whether the opinion expressed be complimentary or the reverse, it appears highly undesirable that it should be made public property. The safer course would appear to be that Collectors should enter against each officer in the Revenue Department any remarks, good or bad, that may have been recorded regarding him in the Confidential Register that is maintained in most districts, together with such remarks as they may themselves think necessary, and that the list should be kept strictly confidential.

If the remarks are written without reserve and are made public, it will, I apprehend, cause much heart-burning and mischief.

I solicit the Board's orders on this letter before proceeding to fill up, as well as I can, the remark column in the list, which I herewith return for reference.

RESOLUTION—dated 26th April 1892, No. 194.

The Collector's proposal is approved, and sanctioned for general adoption in all districts.

2. The Collectors of Anantapur, Madras, Madura, Nellore and Salem, from whom lists are still due for 1891-92, are requested to see (if the lists are not despatched before receipt of these Proceedings) that their remarks regarding the individuals named are kept confidential.

3. All Collectors will understand for future guidance that the lists of persons qualified for the post of Deputy Collector under the examination rules need not themselves be treated as confidential. It will suffice if such remarks as Collectors

may have to record as to the character and general ability of the officers included in the lists are so treated. These remarks may with advantage be made on a separate sheet of paper and sent as an enclosure to the list.
