TECHNICAL NOTE.

The accompanying estimate
amounting to Rs 3540
for constructing new line Kiln
& coal shed at Vaddeswaram
in the Krishna Western Division
is submitted by the Super Eng.
II Circle in view of the estimate
amounting to Rs 5000 sanctioned
in G.O. No. 3406 w dated 17th Dec
1891.

The saving of Rs 1460 is due
to the reduction in the thickness
of walls & foundations & to the
reduction of doors in the Coal
shed also to reduced rate, now
provided for corrugated iron
rooping on wooden scantlings.
By this reduction the per
cent debit of the cost to land
& Kiln will be reduced by
monthly credits of Rs 50 in
stead of Rs 70 as sanctioned.
The rate for rooping with

with completed in complete
cannot be checked by the Divi:
: limit schedule but it appears
to be fair. The other rates are
the same as the original sanction
estimate.
