READ—the following paper :—

From W. B. DEWINTON, Esq., Superintendent of Works, No. I Periyár Division, to the Chief Engineer, Public Works Department, dated Periyár, 8th January 1892, No. 210 C.E.

With reference to G.O., No. 949 W., dated 24th March 1890, communicating the sanction of the Government of India to the renewal for two years, from 27th June 1890, of the engagement of Mr B. J. Mathews, Machineman and Tunneller on the Periyár Project, I have the honour to request that you will be good enough to obtain the sanction of Government for a further renewal of his engagement for another period of two years, *i.e.*, up to 27th June 1894.

2. I calculate that, if nothing unforeseen occurs, the tunnel should be completed by 1st April 1894, so that the date up to which I now apply for his services will give a margin for contingencies of nearly 3 months.

3. I attach copy of a letter received from him, expressing his willingness to renew his engagement, with his Sub-divisional officer's remarks thereon.

ENCLOSURE.

From B. J. MATHEWS, Esq., Machinist and Tunneller, to the Sub-divisional officer, Thekady, dated 4th January 1892.

I shall feel pleased to extend my agreement for a further period of two years until 27th June 1894 if I have given the gentleman in authority over me satisfaction.

No. 29.

Forwarded to Superintendent of Works. Mr. Mathews has done specially good service and I have great satisfaction in forwarding his assent to an extension of his agreement by a further term of two years.

4th January 1892.
