For orders.

The question raised by the S. Es II & IV Circles does not seem to be answered by the G.O. and unless this is done it is difficult to see how para 2 of Lt. Col. Drake-Brockman's letter No. 182 W d/ 4th April 1892 is to be "dealt with" in the P.W. Dept. 14/9/6

The "Note" in the Appendix to G.O. 427 d/ 12 June 90, Public, says that "all officers of the P.W.D. are prohibited from acquiring or holding land within the limits of their charge, without the previous sanction of Govt." And the expression "all officers of the P.W.D." as here used is declared to include "all employés in Superior Service". This declaration assumes that "all officers of the P.W.D." have a "charge", the "limits" of which are

land. They

P. W. CURRENT No. 4824

defined. As a matter of fact this is not so. Take for example a Clerk in an office. He may perhaps hold land. How is it to be settled whether the land is within "the limits of his charge" or not. Is his "charge" the charge of the head of his office. If so, the rules will be extremely unequal in their operation, for while one Clerk may hold land without Govt. sanction in almost all parts of the Presidency, another may be absolutely debarred from holding land anywhere within those limits.

R. A.
6.5.92

W a/16 May 1892

As I understand the question, the members of Divisional and Circle Establishments and Superior Officers have no "charge" of any kind — They may buy under No. 189 Public Works d/22 Mar 92 what purchases they like, provided they make a due return of the lands so acquired.
