PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the

Supdt. of Census Operations, Madras, dated ²² March 1892,
no: 184.

As the tabulation of the Census figures will be practically finished by the end of this month I have arranged to vacate Wellington House on that date and to take a smaller building in Royapettah. The rent of the latter is Rs 68 per mensem. In order to facilitate the removal of the records I have taken it from the 20th instant and from that date to the 31st the landlord has agreed to charge rent at the rate of Rs 34 per mensem. I have the honor to solicit the sanction of the Govt. to these arrangements. The house will be vacated as soon as permission is given to sell the schedules.

2. For the clerks whose services are required until the Report is completed I have set apart certain rooms in my house here. The rent of the house, inclusive of a garden, is Rs 148 a month if taken by the year, and Rs 183 if taken for six months and I think that Rs 40 would be a fair charge for the rooms used for Govt. purposes. This house is as formerly occupied by Mr. A. E. Castledune Stuart and I believe the Govt. then paid Rs 50 per mensem for the same accommodation which I propose to give. I have the honor to ask, therefore, that the payment of Rs 40 a month may be sanctioned.
