Chief Secretary.

To the Surgeon-General with the Government of Madras.

" all Collectors.

[Appendix.]

1. *Medical certificates* are required by—

2. Commissioned Medical Officers holding Presidency appointments or in medical charge of districts or civil stations, and Uncovenanted Officers in the position of District or Civil Surgeons, are, with the exceptions noted below, alone authorized to grant *certificates of physical fitness for the public service*. Such certificates are not to be granted by Assistant Surgeons unless when in independent medical charge of a district, nor by warrant medical officers, civil apothecaries or hospital assistants, except to persons proposed to be appointed to posts carrying less than Rs. 50 a month who cannot conveniently appear before a Commissioned Medical Officer or Civil Surgeon.

4. The form of certificate to be given to a candidate for employment in the public service is laid down in Rule 2, Section 106, Civil Pension Code, and should contain such additional particulars regarding the nature of the duties the candidate is expected to perform, and his physical fitness to have, as the head of the department making the requisition required in Rule 3 above may desire.

6. Medical officers should not grant a certificate of unfitness for further service to any Government servant, except on the requisition and with the cognizance of the head of the office or department in which he is at the time serving. Every such application for examination should be accompanied by a descriptive roll of the person to be examined, signed by the head of such office or department.

8. All medical officers and subordinates in independent medical charge of a district or station are authorized to grant certificates to Government servants recommending the grant or commutation of leave on medical grounds, provided the person by whom the certificate is required can produce a letter, order, or other document from the head of the office or department in which he is employed, authorizing him to apply for such certificate. But Government servants already on leave, and requiring an extension on medical grounds, are not required to produce a permit from the head of their department before appearing for medical examination.

NOTE.—Certificates granted under this rule are not valid unless countersigned by the head of the office or department.

9. A certificate, recommending the grant or extension of leave on medical grounds, should always specify whether the nature of the patient's complaint is such as to require the wholly or partially, from discharging his public duties, should considers further observation necessary. In such cases, the certificate should be signed by the Assistant in temporary charge of a Civil Surgeon's station, or by the Civil Surgeon on his return to the station.

10. The form of certificate recommending the grant of leave on medical grounds is laid down in Rule 10, Section 79, Civil Leave Code, from Government medical officers alone, except when required to justify mere casual leave of absence.

Letter from the Executive Engineer, Flamine
Relief Works, Cumbum Sub-Division, No. 116
dated 2nd May 1892 to the Executive Engineer
Kurnool Division. 1560
3

I have the honor to state that having
marched to Tripurantharam and inspected
all my works on the way I returned to Cumbum
by rail from Kurnool in Nellore District
on the 28th ultimo to save time and as I kept
my horse and camp equipage at Cumbum
carried them with me by rail. I have therefore
claimed the rail charges in my travelling allowance
bill and request you will be good enough to forward
this letter to the Supt. Engineer in order that
formal sanction may be obtained to the charge.

I have also to request that the Supt. Engineer
will be good enough to sanction formally the carriage
of my horses and camp equipage from Madras
to Cumbum the cost of which was claimed in
Travelling allowance bill for March. My authority
was a telegram from the Supt. Engineer to buy
horses and tents but I did not send a copy
of this with my travelling allowance bill and
I believe the Examiner will require the formal
sanction of the Superintending Engineer.

11-5-92

Submitted to the Superintending Engineer
the request that sanction may be accorded
to the following items:

1. Travelling out of jurisdiction Kewichedu
 2. Conveyance of Horse and Lamp equipment from
Kewichedu to Bumburn on April 1892.
 3. Carriage of horse and tent from Bumburn
to Bumburn in May 1892 and that the same
be recorded on Travelling allowance bill
as per G.O. No. 5071 W. dated 11-12-91.
- According to the letter of the Rule Item No. 1 requires
the sanction of the Chief Engineer being out of the
circle. In this case such sanction may perhaps
be dispensed with as the place was only reached
after getting into the nearest Railway Station.
