Account.

READ—the following paper:—

From C. VINCENT, Esq., Under-Secretary to the Government of India, Public Works Department (Civil Works—Miscellaneous), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 10th May 1892, No. 190 M.

It having been brought to the notice of the Government of India that frequent demands, in many instances by telegram, are received by the Director-General of Ordnance in India from officers of the Public Works Department for gun-cotton for road-making purposes, I am directed to request that it may be notified generally to Public Works Department officers that the Ordnance Department does not maintain any reserve of gun-cotton for such purposes. Officers should, therefore, make independent arrangements for the supply of such explosives as they may require.
