SUPERINTENDING ENGINEER'S OFFICE,
V Circle, Madras,
Chepak, *January* 1892.

From *Lieut. Col. D. McNeill Campbell R.E.*

SUPERINTENDING ENGINEER, V CIRCLE,

To *THE Chief Engineer*
P.W. Department.

SIR,

Enclosures.

157
I have the honor to bring
to your notice that the Exe-
cutive Engineer, Negapatnam
Division has reported to me
that Sub Engineer, Conductor
Littlewood having received
a Complaint from the
Village Munsiff of Anakudi
that Maistry Venkatarama
Ayer had cut and sold
in auction 78 Persa trees
situated on the Therkodiar
right bank immediately in-
spected the locality and
found the trees cut down

and most of them removed.
The Maistry who was
thereupon required to
explain his conduct has
submitted the enclosed
explanation (marked A) in
which he acknowledges
having disposed of the
trees without authority and
gives as a plea for his
not producing the Sale
List and remitting the
sale proceeds that the former
has been mislaid and
the latter not yet collected.
The matter being altogether
suspicious, it was referred
to the Tahsildar Sub Magistrate
for enquiry, the Maistry
being meanwhile suspended.
The Sub Magistrate has
forwarded depositions
taken by him (his letter No. 2501
dated 5 November 1891, with
its six enclosures and English
translations thereof are enclosed
which shows that the Maistry
without

without authority sold the
trees in auction to one
Dorabai Pelay and
misappropriated the sale
proceeds. As the case is not
a petty one, I request that
sanction may be given to
the Maistry being prosecuted
criminally at Government
expense under Code paras 412
412 A (S. O.) No. 834 dated
8 August 1889). 57 1/2

Maistry Venkata-

be prosecuted on a
criminal charge as
proposed by the Suptg

The evidence does not seem to be very
clear either that the Maistry embezzled
the proceeds of the sale or that, the sale
purchaser having cut 65 trees, any more
trees were cut ~~and~~ converted to the
Maistry's use. Unless there is clear
evidence on these points it is not
prosecuting. The nature of the charge
which is proposed to bring should be
stated.

Read the following

Letter from the Suptg Eng.

V Circle (No. 6 W of 7.1.92)

His Excellency the
Governor in Council
observes that the evidence
in this case does not
seem to be very clear
either that the Maistry
embezzled the proceeds
of the sale or that, the
sale purchaser having
cut 65 trees, any more
trees were cut and
converted to the
Maistry's use.

2. Unless there is clear
evidence on these
points it is not
considered expedient
to authorise a prose-
cution. A further report
should be submitted,
and the exact nature
of the charge which is
proposed to bring
should be stated.
