I find that I can get Jindas
manufactured here which
will do the work I require
and as they are returned at
once I request that the order
may be cancelled.

The word "manu-
factured" was entered in
the draft before the Code
was consulted. It is now
found that there is no
phrase to express this
word - but that the
phrase given, and which
it is necessary to adopt,
is sufficiently near.
