TECHNICAL NOTE.

Additions & Improvements to the Presidency Training School for Mistresses.

The Examiner P. W. Accounts forwards a Completion report received from the Consulting Architect for the above work and states that the outlay shown has been checked & found correct.

An estimate amounting to Rs 26,370 was sanctioned in G.O. No. 1665 W dated 6th June 1888 for the work and the total expenditure incurred amounts to Rs 33583-...8 being Rs 7213-...8 in excess or 27·35% over the sanction. The excess for this large excess is stated to be due to additional works most of them having been executed prior to the transfer of the work to the Architect Dist.

also to the provision of Rs 750 for sliding shutters which were found quite insufficient to secure.

The original estimate figures should have been entered in Columns 2, 3 & 4 instead of the expenditure on revised Estimate as none entered hence no comparison could be made.

The calculations have been checked & found correct.
