PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the President, District Board, North Arcot,
dated 12th April 1892 N^o 182
In

With reference to para 2 of G.O. dated 18th
1015 W.D. 29.3.92 February last N^o 418 L, I have the honor to ex-
plain seriatim the discrepancies noted in
clauses 3, 6 and 11 thereof.

Clause 3:— The difference of Rs. 18 represents
the rent of the cholinghur market erroneously
credited to House-tax, but subsequently transferred
to Market rents. This fact was communicated
by the Treasury Officer to the Accountant
General, who admitted it in his Result-State-
ment N^o A.C. 7 dated 19th September 1891.
2272

Clause 6. The number of servants employed
in all the Local Fund Schools is 150 and not 152,
which was entered in the Statement through
clerical error.

The

The differences noticed in clause II are explained as follows:—

The sum of Rs. 6170 shown in Statement No. 27 as the Cost of Public Works Supervision, is made up of:—

- (a) Cost of Supervision at 23 per cent on
Rs. 15,000 allotted for the Palarcansuway 3450
(b) Cost of Supervision on famine works for
Rs. 4826 allotted for the Malahasti Zemindari 2720
Total Rs. 6170.

The sum of Rs. 4180 referred to by Government does not include the Cost of Supervision chargeable on famine works alone referred to; but it represents Rs. 3450, the Cost of Supervision chargeable on the Palarcansuway work, and Rs. 730 the Cost of other establishment, which was omitted to be provided for in the revised estimate, as there was no likelihood of incurring the charge. The difference of Rs. 177 between Rs. 2387 and Rs. 2110 is the Cost of tools and plant chargeable on famine works alone referred to.

Order

Order dated 20th May 1892 No. 1196 L. Mis

Recorded, the necessary corrections having been made.

2. With reference to the President's explanation of the discrepancies noticed in para 2 (b) of the L.O. under reply, it is observed that no charge for Supervision and tools and plant is payable to the Public Works Department on account of famine relief works. Vide para 2 of L.O. dated 31st July 1891 No. 2057 W communicated with L.O. dated 24th August 1891 No. 2025 L.

3. The report, Proposition Statements and Application, referred to in clauses (2) (3) and (4) of para 5 of the L.O. under reply should be submitted as soon as possible.
