PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read *Endorsement of the Public works*

Department of 4th April 1892. No. 1730 C.

160/1

Order thereon 18th May 1892. No. 2423.

Referred to the Board of Revenue.

2. It would appear from the Agents' letter forming an enclosure to the communication from the Bombay Government that the Southern Maharashtra Railway Company purchased only the hospital building at Nandyal and that the land on which it stands was taken over without payment. This land having been relinquished by the Railway Company would revert to the Forest Department for which the building was originally constructed and from the funds of which it is presumed that compensation for the site was paid. The Board of Revenue is requested to ascertain the real facts of the case and to state whether a formal transfer of the land to the Public works Department is sufficient or whether it should be debited with the cost of the acquiring the site paid from Forest funds.
