GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

G.O., dated 20th May 1892, Mis. No. 2477, Revenue.

Read—again the following G.O., dated 5th March 1892, No. 1256, on Proceedings of the Financial Department, authorising the Accountant-General to admit the charges actually incurred on account of expenses for providing shelter to pilgrims and for making the necessary sanitary arrangements at the Rama's Kalyan festival, celebrated at Bhadrachalam, Godavari, and referring to the Revenue Department, for consideration, the question regarding free grant of timber by the Forest Department for public purposes.

Order—dated 5th March 1892, No. 1256, Revenue.

Referred to the Commissioners of Land Revenue for early remarks.

Read—also Proceedings of the Board of Revenue (Land Revenue), dated 4th April 1892, Forest Mis. No. 365, considering that free grant of timber should be made for public purposes and that Collectors might be empowered to do so in the case of departments of Government or public bodies, such as Local Fund Boards or Municipalities, where the circumstances justify the grant.

Order—20th May 1892, Mis. No. 2477, Revenue.

The Government is unable to accept the Board's proposal. The proper principle is that all departments should pay for forest produce supplied to them and this principle is recognised in section 8, chapter 58, volume II, of the Civil Account Code, by which the rule prohibiting inter-departmental adjustments is declared not to apply to the Forest Department; if any exceptions are made it will be difficult to decide when exemption should be allowed. In a case like that which has led to this reference the Revenue Department or Local Board supplied with timber can recoup itself to some extent by sale of the timber when no longer required.
