Copy of a communication from the Principal, College
of Engineering to the Consulting Architect
 to Government, No. 12020 dated 17 March 1892.

Referring to your Nos. 4154 & 4270 dated 3 & 12th respectively, I have the honor to furnish a return for information showing the Govt. quarters attached to this Institution occupied free of rent.

2. The salaries of the members of the staff occupying the quarters are

1. Major H. D. Lowe R.E.	Rs 1240-14
2. Conductors W. Barnes	" 266 "
3. Sergt. W. H. Goddard	" 220 "
4. Mr. J. Hamilton	" 170 "
5. Mr. J. E. A. D. Cress	" 110 "

The quarters occupied by 1 & 2 are free quarters set apart for the occupiers, viz. the Principal & the warrant officer in Military charge of the soldier students, respectively. Conductors W. Barnes' quarters are part of the barracks, and he is no more liable for rent payment than are the soldier students themselves. The quarters occupied by 3, 4 & 5 appear to be subject to rent.

Charge under G.O. No. 357 dated 5th February

Sir,

Enclosures.

In forwarding herewith a copy
of letter No. 1202 dated 17th March 1892 from the
Principal, College of Engineering, I have the
honour to enquire whether I am to recover rent
from Sub Conductors as houses for the Govern-
ment quarters occupied by him, as the Govern-
ment orders No. 1744 & 357 dated 30th June 1891 &
5th February 1892 respectively are silent on this
subject.

FROM

TO

The Director of Public Instruction

SIR,

Enclos. 1.

Referring to your endorsement No 4959
7.4.92
on papers herewith returned I have the
honor to state that Conductor Carnes
occupies his quarters in the College for
military duty. He must therefore be
provided with free quarters, or be paid an
allowance for house rent, if rent is charged.

2. I take this opportunity of applying
for sanction to the reduction of the rents
charged to the College Instructors Sergeant
Goddard, and Messrs J. Hamelton and
J. E. A. Devery under G.O. 357 of dated 5th
February 1892, for the occupation of such
of the Military Family quarters as happen
at any time to be vacant. These instructors
are

are liable to be turned out whenever the quarters are required for Soldier students or their families. The Circumstance of the Survey Instructors residing near the College is for the advantage of the Public Service. On these grounds I propose that the rent charged be one half of that chargeable.

3. The Tabular statement required by G. O. Public Department No 88 date 28 January 1891 is appended.

	Value of building & site	Average cost of repairs	Rent according to the rules. Monthly	Proportion of total area occupied by office	Deduction for office rent	Rent monthly that should be paid by occupants	Rent monthly to be proposed	Salary of occupants	Monthly profit for similar accommodation

ABSTRACT.

Stating that Conductor
Cames occupies his quarters
in the College for military
duty.

E.4
17/5/24/92

Extract from the Chief Secretary's note dated
14th May 1892 on Educational L. No. 508 of 92.

It is submitted that this post (Super-
intendent of Military Students) is entirely subsidia-
ry to that of an Instructor which is a purely civil one
and does not carry with it the right to free
quarters and that Conductor Cames should therefore
be called upon to pay rent. $\frac{27}{16/16}$

Note by the Honorable Mr. Stokes L.S.
dated 15th May 1892.

I agree. There is also no reason
for exempting the other men.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Public Works Department, d/ 25th March 1892, No. 1573.C

From the Director of Public Instruction, d/ 6th May 1892, No. 6330

5. The case of the other officers referred to in Major Love's letter deserves also favourable consideration. Their residence near the College is of decided advantage to the institution, more especially as, under the ^{new} rules, they are expected to take part in practical work even out of College hours. Further, as pointed out by Major Love, they are liable to be removed from the premises when they are required for the occupation of Military students. The recommendation that half-rates of rent should be levied from them has, therefore, my full support.

ORDER, dated 18th May 1892, NO. 386.

Conductor Cames is an Instructor in Engineering in the College and as such is purely in Civil employ. He has been allowed as a special case to hold the additional appointment of Superintendent of Military students but this latter post is entirely subsidiary to his Civil duties and his holding it forms no ground for conceding him free-quarters in the portion of the building set apart for Military students.

2. The question of reducing the rent payable by Sergeant

Goddard and Messers. Hamilton & D'Cruz will be disposed of
in the Public Works Department to which ^{copy of} the Hon' ble Member's
remarks will be communicated.
