In reply to your letter, Political No. 256, dated the 23rd April 1892, asking for a statement showing the amount required for the maintenance of each Postal and Telegraph building in the Mysore State during the year 1892-93, I have the honour to state that a register of such buildings not having been maintained, the Mysore Public Works Department are not able to furnish the required information. 2. Paragraph 7 of the Proceedings, a copy of which was forwarded with your letter, refers to the arrangements said to have been agreed to by the Superintending Engineer, V Circle, and the Mysore Public Works Department regarding the maintenance of Imperial buildings in Mysore on payment of agency charges at the rate of 10 per cent. on the outlay on "works." I am informed by the Secretary to the Government of Mysore in the Public Works Department that no correspondence has passed between him and the Superintending Engineer on this subject.
