PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read *the following* Resolution

of the Board of Revenue P.O. No. 1498, dated 17th May 1892, No. 4498, on letter from the Collector of Bellary dated 9th May 1892, Ref No. 2402.

I have the honor to request permission of the Board to remove the following works from the list of famine works sanctioned in Board's Proceedings No. 214, dated 19th March 1892, for the reasons stated against them.

1. Hosur Taluk Katakaturam, Rs. 670. The estimate

originally prepared by the Revenue Inspector is incorrect. The Tahsildar on personal inspection states that repairs to the extent of Rs. 54 is all that is necessary and this consists of purely masonry work.

2. Kudligi Taluk Gurdur Katakaturam, Rs. 200. Repairs to this work have been ^{incurred} ~~incurred~~ under the minor irrigation grant provided for 1891-92.

2. Haspet Laluk Removing silt } Rs
from Somappa tank at Hampthi } 3000. The
idea of removing silt from this
tank is condemned both by the
Superintending Engineer and the
Head Assistant Collector. No
other repairs are necessary for
this work.

3. Haspet Laluk Removing silt } Rs
from channels of Garaji tank } 1000. The
Superintending Engineer states that
these channels require no clearing
except a few lumps here and there
which amounts to a very insigni-
ficant quantity and can be done
by the ryots themselves.
Resolution.

The works may be
removed. The necessary alterations
will be made in the lists of
works.

2. These alterations and
the one ordered to be made in
Board's Proceedings 3625 hrs. dated
14th April 1892 cause a decrease of
Rs. 16,580. This will reduce the
total estimated cost of the
works included in the programme
for 1892-93 to Rs. 27,92,588.
