Copy of letter from the Honorary
Secretary, Madras Civil Orphan Asylum,
to the Chief Secretary to Govt, Fort
St. George, no 781 dated 13th May 1892.

I have the honor to bring to
your notice that the main building
of the Civil Male Orphan Asylum,
Egmore, is in a very unsatisfactory
state, though it was thoroughly
overhauled by the Department of
Public Works only a few years ago.
The walls at the east end are badly
cracked, and the building is apparently
sinking, but temporary arches have
been erected with a view to affording
extra support for the weight of the
upper story.

At a meeting of the Directors
of the Asylum held on the 29th
ultimo, it was resolved to ask you
to kindly allow the Consulting
Architect to Government to examine
the building, expressly with
reference

reference to the crabs at the
East end, and I now have the
honor to request you to give the
necessary orders.
